

Could anyone really understand this pain I'm in?

Could anyone really understand true pain?

I just can't stand this loneliness

My life is futile

Searching for time's distant end

I am

a wanderer

The Past

The chronicle of a lonely soul

Was it that we were too strong?

Did the power of those from the moon really seal the fates of all those living on Planet Earth?

It will change...for both the people of the earth, and of the moon.

Without a doubt

Will this door lead us all to metamorphosis?

Really?

It'll change the world forever

Yes

Will either of them ever find out about this?

None of that matters

Could they even understand?

We were
mistaken

So

Is that why we're so fragile?

The silver
crystal?

It's hopeless.

Nevertheless

We'll weather it.

Stop it

Serenity

This is it.
We won't interfere
with that star.

You're right.

I had to
stop sooner
or later...

You're already too far away.

Still

You'll kill
me, won't
you?

I love you

I'll vanish

Lies

Hypo-
crite.

I love you

No

If you part with
the darkness

Escape

As it happens, I was thinking the same thing.

I wouldn't want to live such a miserable life, knowing my power could have saved those people

I don't know that there's a way I can save it.

However

I have a feeling that the solution to this dilemma is a cruel one indeed

I will also perish...

But...

After much thought, I have made a decision

And I'm fine with it

The fates of the people of Earth and the people of the Moon Kingdom are sealed.

So long as you're here, it will die

I will never forgive myself for allowing that beautiful gem of a blue planet to perish

I wanted it to live on forever

My feelings on
this won't change.

I would rather
have it this
way than spend
the rest of my
life alone and
in ruins

My Curse

If I die, you and
the others will be
able to continue to
live on, forever,
and will be able to
protect these
worlds, right?

This is a
decision I
haven't
made
lightly.

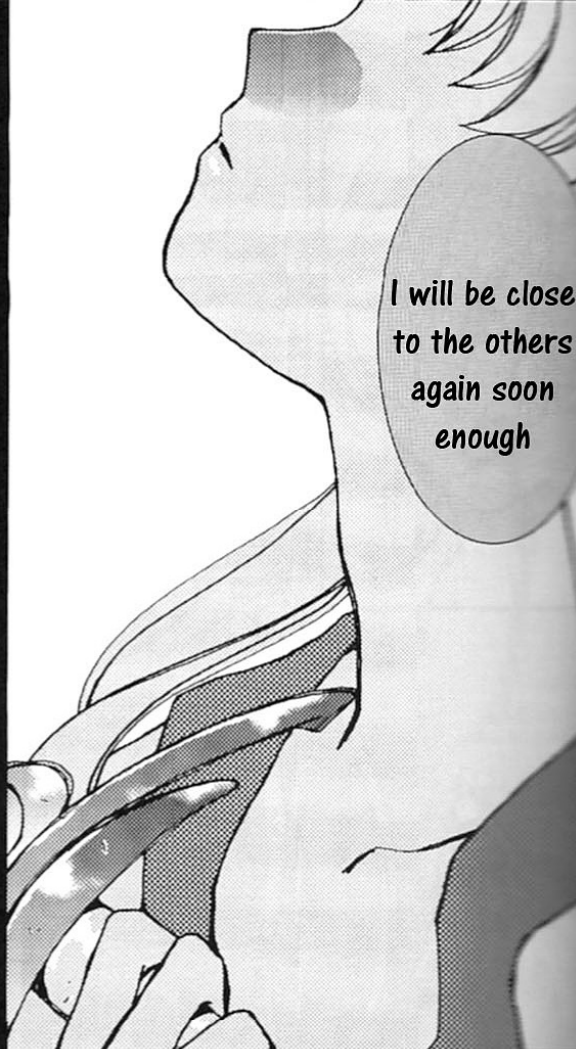

My Sin

I have only
ever wanted
to protect
you.

I am sure
you will.

You'll be separated from them forever if you do this

I will be close
to the others
again soon
enough

I won't be sepa-
rated from you ever
again

Yes

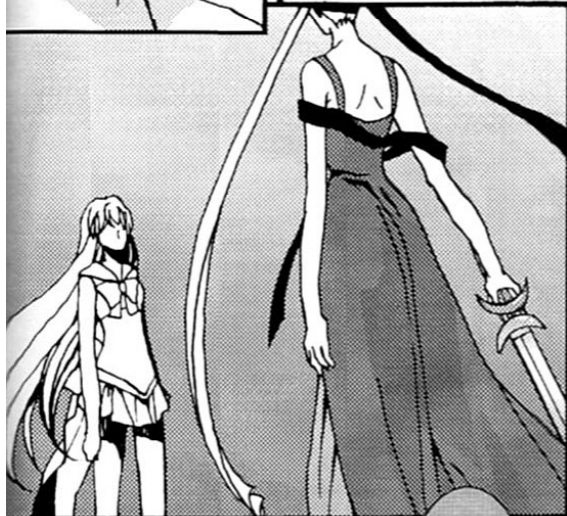

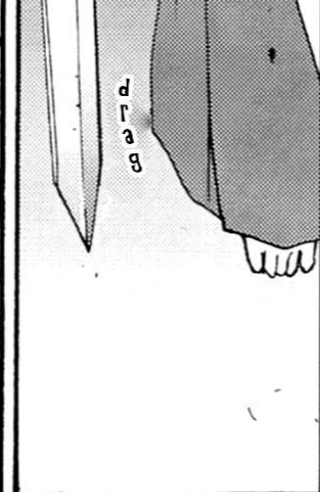

I won't be alone
anymore

But

I won't
let you
disappear

Retribution

I'll save you

No matter what
it takes

GOD HELP
ME

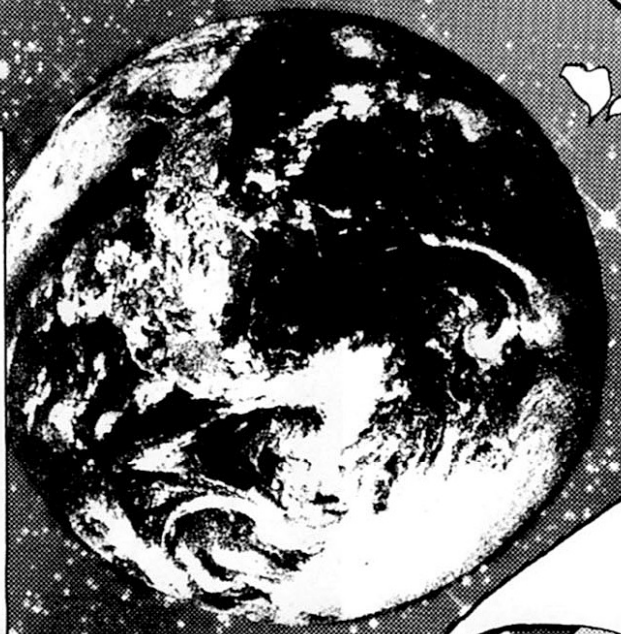

I never
thought I
would be able
to do this on
my own

I will protect
you

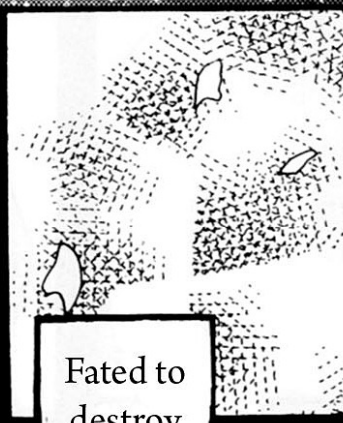

My Curse

Of the crimes
committed by
those of the
Earth and of
the Moon, in
ancient times,
long, long ago.

This is a
tale

Fated to
destroy
the Earth
and Moon
Kingdoms,
and bring
ruin to its
inhabitants

By the Prince of
the Earth and the
Princess of the
Moon, who,
upon meeting,
engaged in a
violent and
passionate affair

Therefore, for the Moon's sake...

That we
must never
open the
gate

It is an
even older
oath than ours
to each other

And for the sake of the Earth

Of the
four guardians
who watch
over the Silver
Millennium and
Princess
Serenity, I am
the last
survivor.

Sailor Venus
is in
command

Don't you
understand,
I need her!

For the sake of the Prince

I just
need him

You
just don't
understand

And
for all
humans

I think

It'd be
better if I
died

Please
make
them
all
under-
stand

Please allow
me to open the
holy gate just
this once

pant
pant

You mean...we
can't open..."the
gate"?

Earth has
fallen under
attack!!

Venus...

Dammit!

There is only
one member of
the royal family
who can open
it...

BWAHAHAHAHA!!!

GWAHAHA

I will
burn it
all!!

CRASH

Feel our
wrath!! You've
had this pun-
ishment coming
your way for a
long time,
Earth!

Dammit!

I will burn
everything you
love until you've
given up that girl
from the Moon
Kingdom

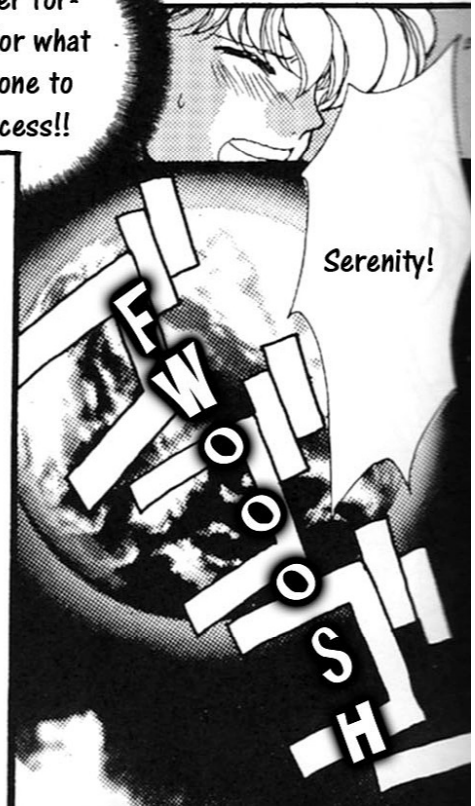

SLASH

Stop it!!

Scream all you want, you can never see her again

I will never forgive you for what you've done to our Princess!!

GOD,
NOOOOOO

Endymion!!

Princess

Master?!

Prince
Endymion!

Endymion

No, please no,
Endymion!!

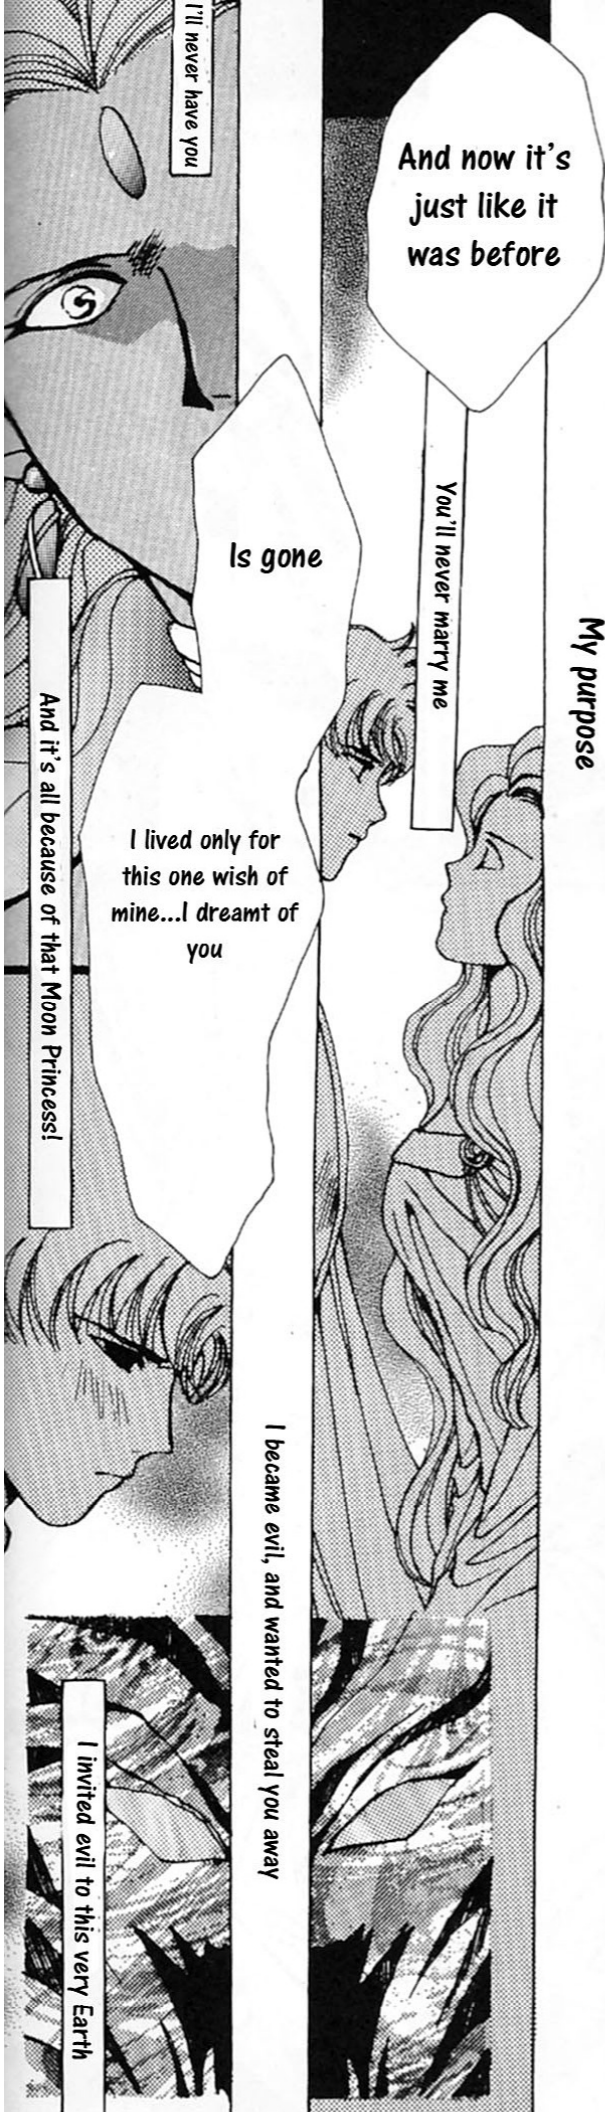

Endymion!!

Endymion!!

trickle,
trickle

Endymion!! Oh god, what has happened to you?!

I'll never have you

And now it's just like it was before

You'll never marry me

Is gone

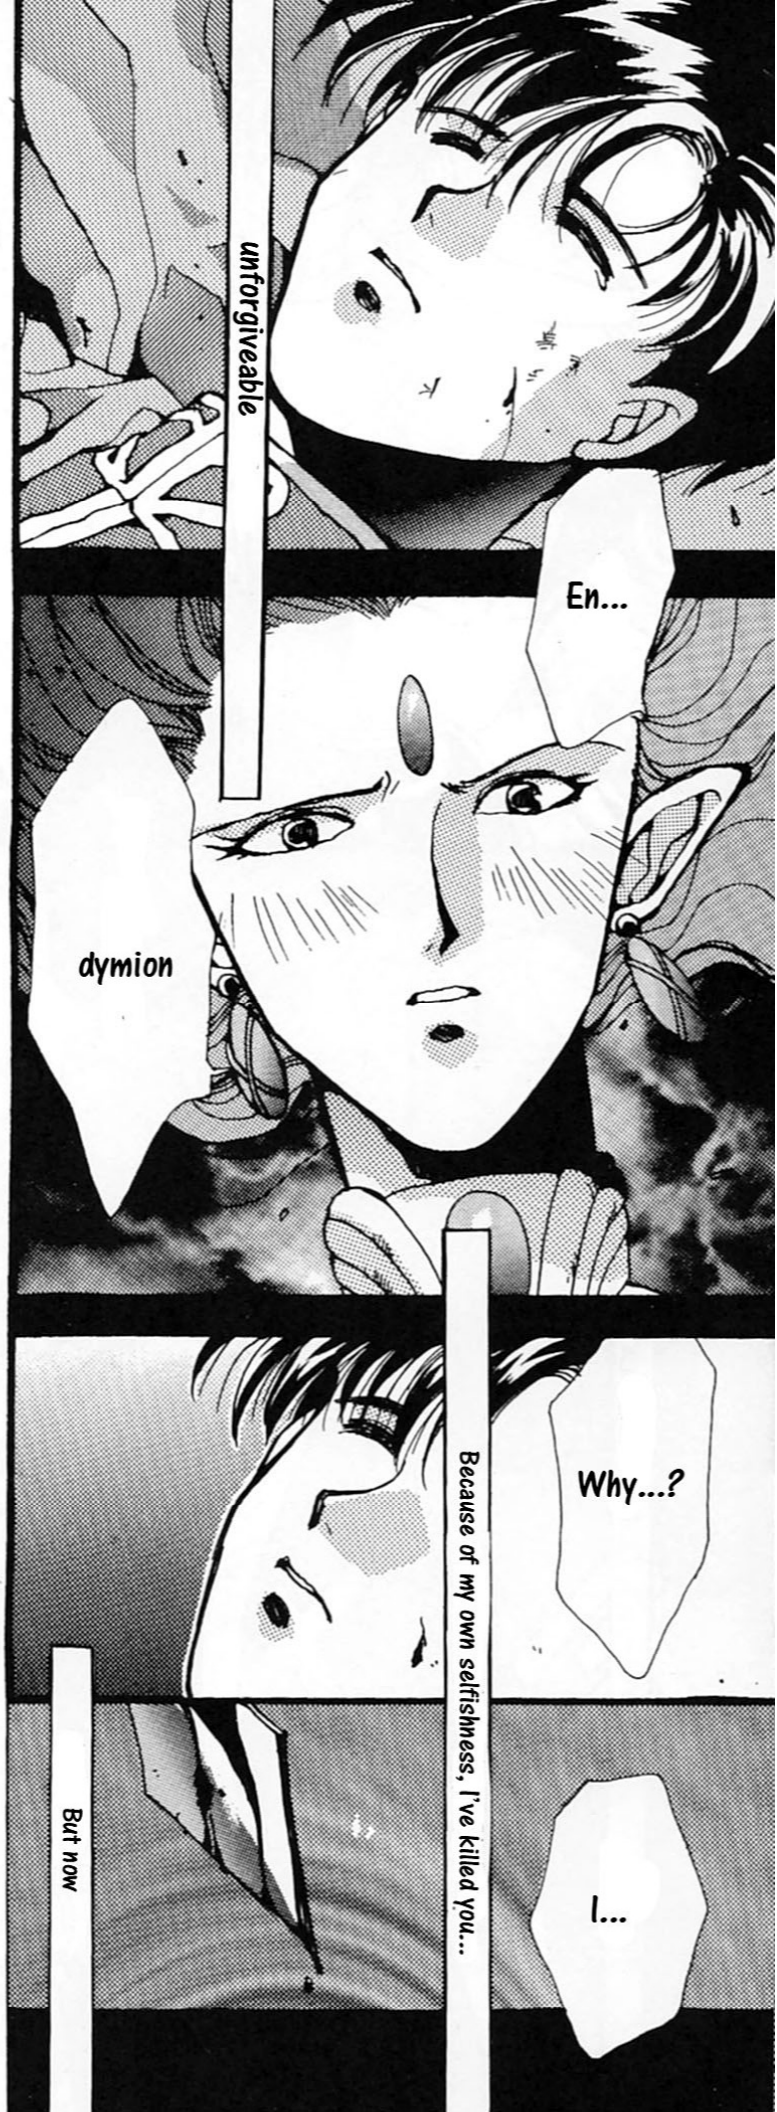

I lived only for this one wish of mine...I dreamt of you

And it's all because of that Moon Princess!

I became evil, and wanted to steal you away

I invited evil to this very Earth

My purpose

unforgiveable

En...

dymion

Why...?

Because of my own selfishness, I've killed you...

...

But now

Stop it!

Are you willing to
gamble away
your life on
that?!

Destroyed. And it's all my fault, all because I couldn't stop meeting with him...

CLENCH

Why did you
protect that
horrible girl?

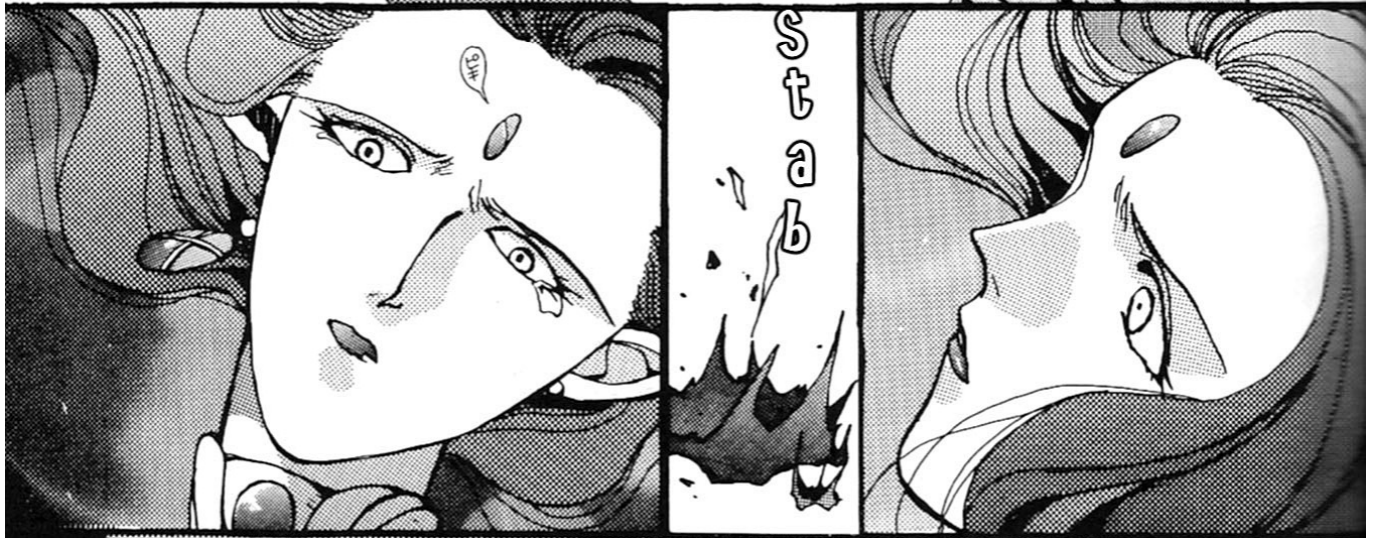

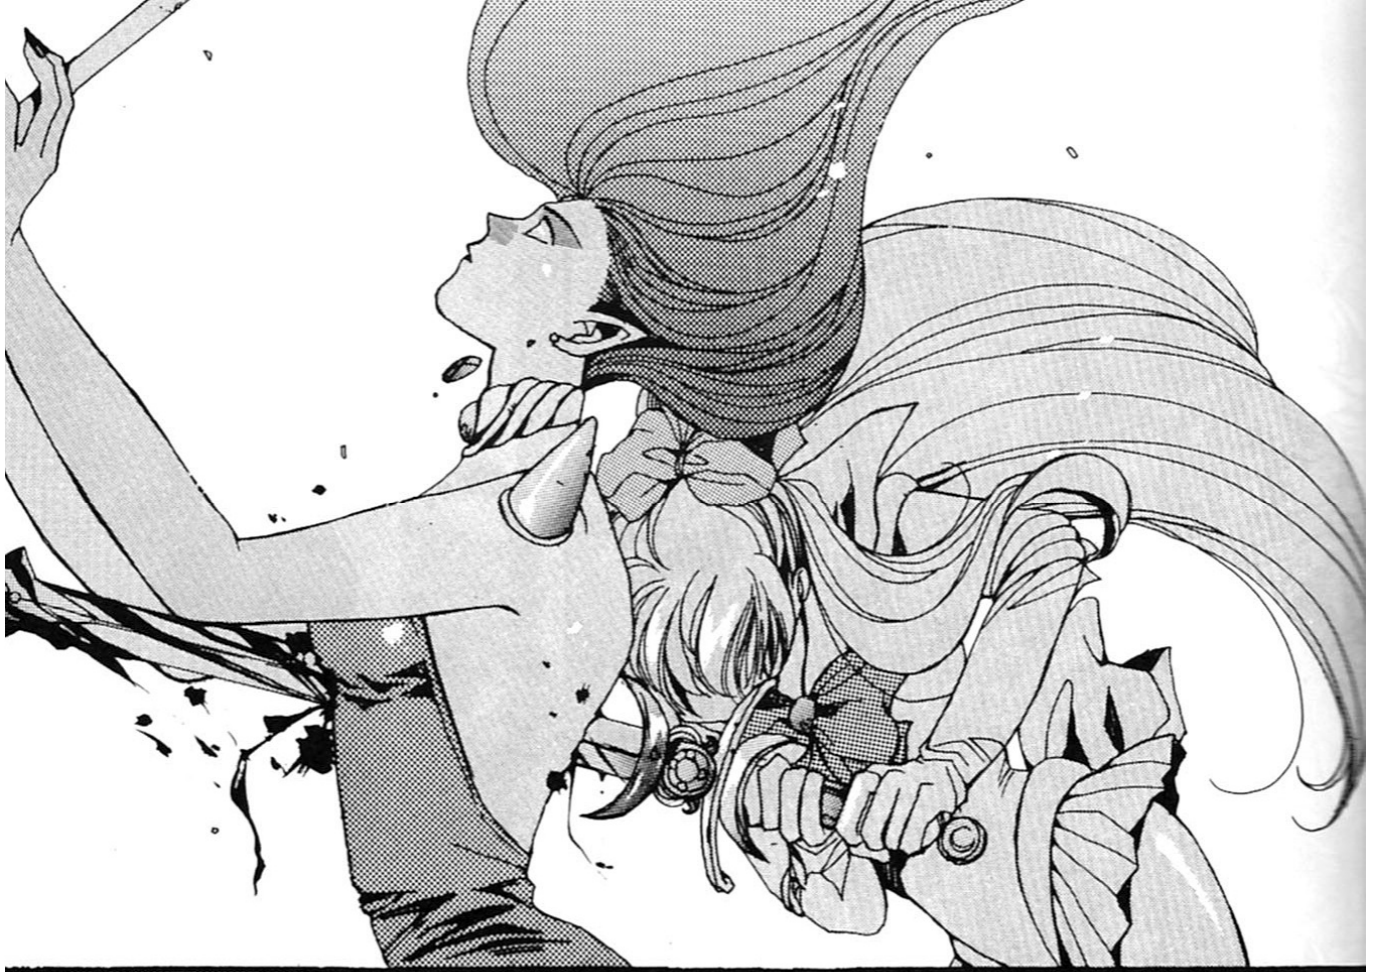

dy...
mi...
on...

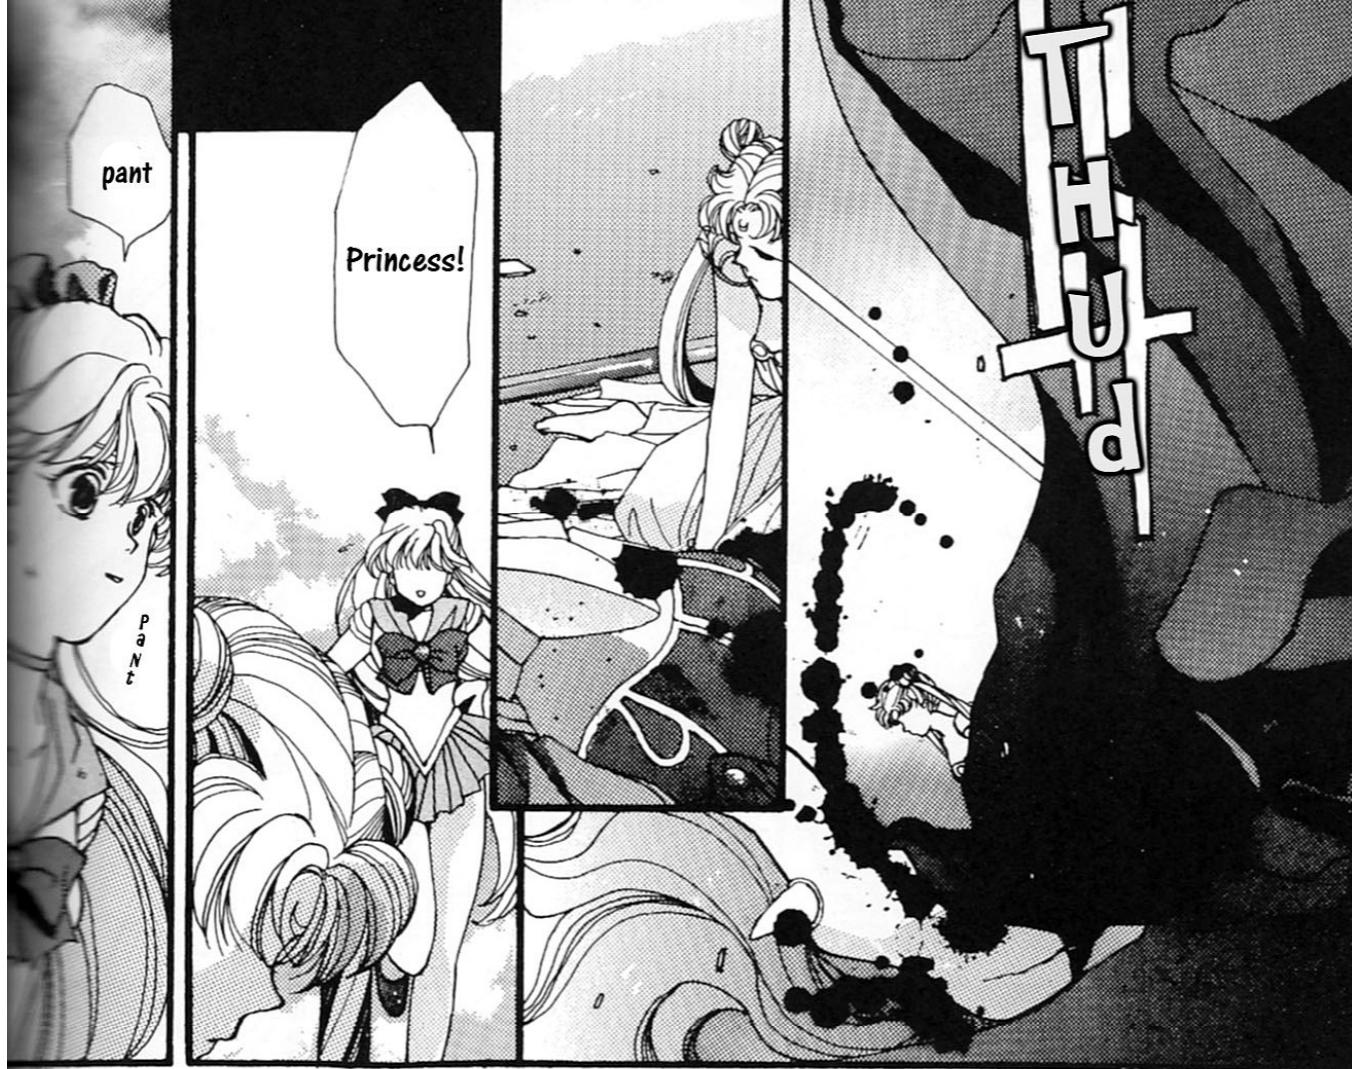

The Earth is...

It
can't be...
that evil
monster...

dash

Princess!!

Mercury!

P-princess...

No!

Venus,
Stop her!!

Hey...
why don't you
just put that
sword down...

N-no

GASP

You're fatally
wounded?

But you know

I guess I didn't notice

CLATTER

Now that I look at it, it's not so bad, don't worry about me

Venus... when I'm dead, please don't forget me.

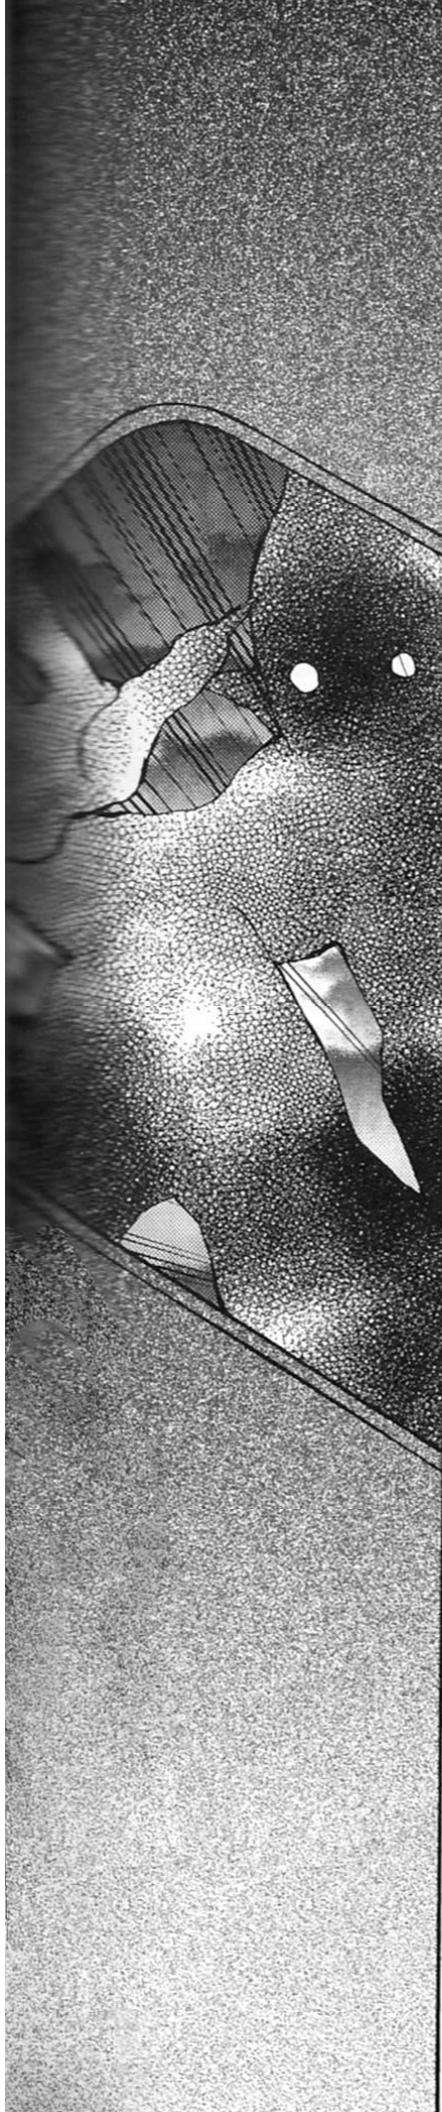

This all
happened
because
of your
massive
ego

N-No...

This is
the end

Oh God, I've lost
control of the
steering!!

Crash

What?! Oh no,
something has
crashed through
the roof!!

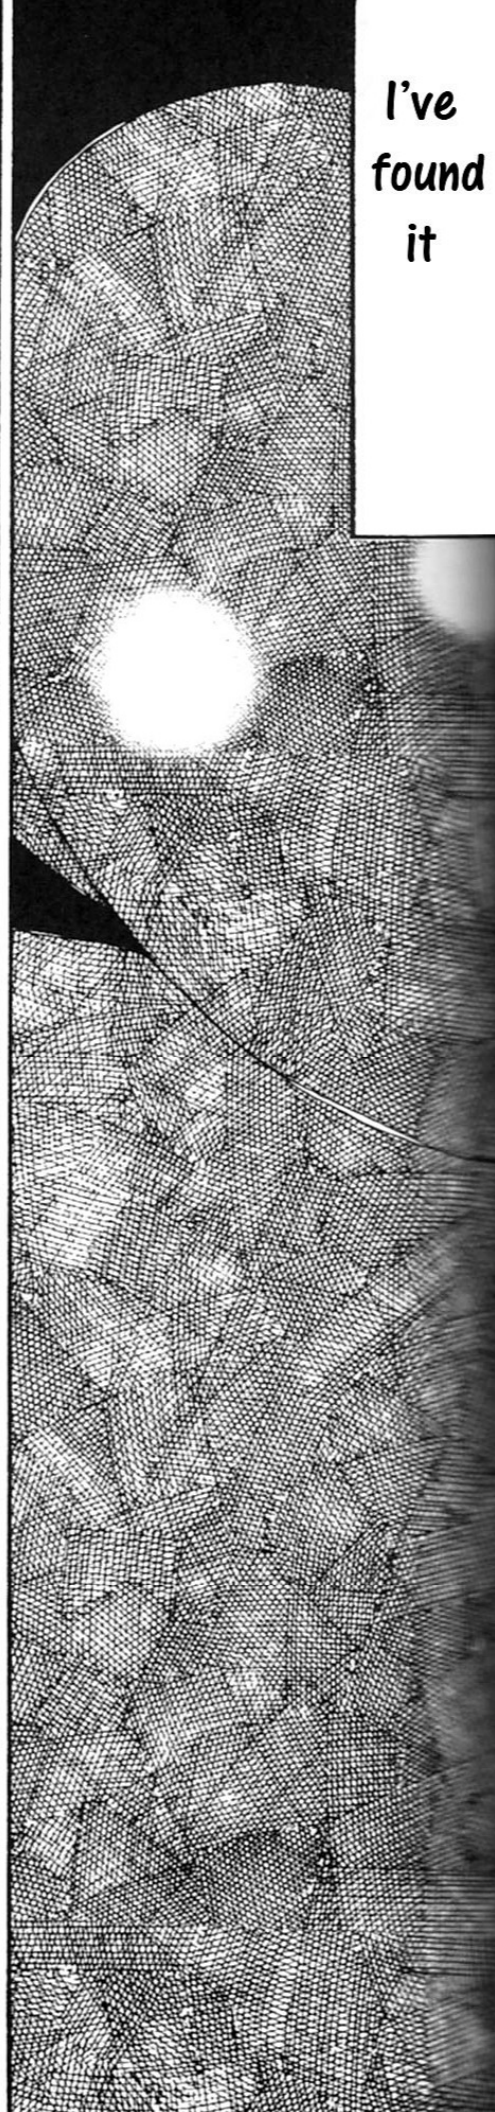

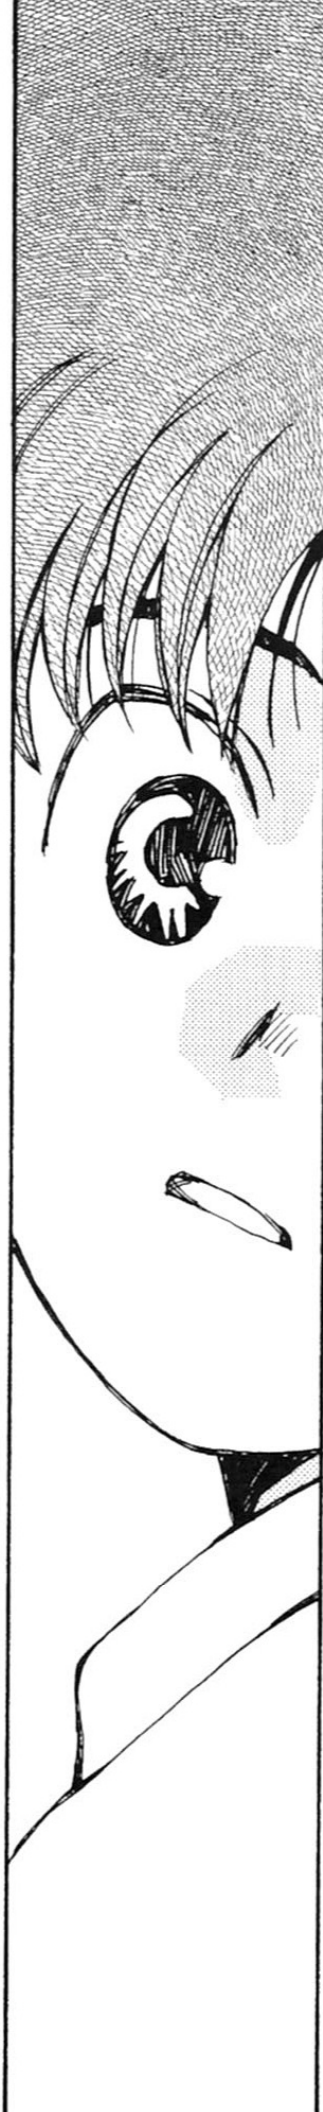

At

Look out in
front of
you!!

We're
going to
crash!!

Mooooooooo

Chasing
after
the
past

I've
found
it

You've separated
yourself from your
own soul

You must draw
your strength

I don't have
time for this

S
W
O
O
S
H

What course
of action do
you plan to
take?

Your magical
powers have
substantially
dwindled

Master
Endymion

For all of
these years
I have been
here alone,
protecting
Elysian

To be
honest

On the
inside, I've
always been
a weak
person

No matter how
much I repent, I
don't think I'll ever
understand

How it is I could have
let that disappear from
right in front of me. I
failed.

But it's
hard to say if I've
really been living,
I've felt so much
misery and seen
so much cruelty

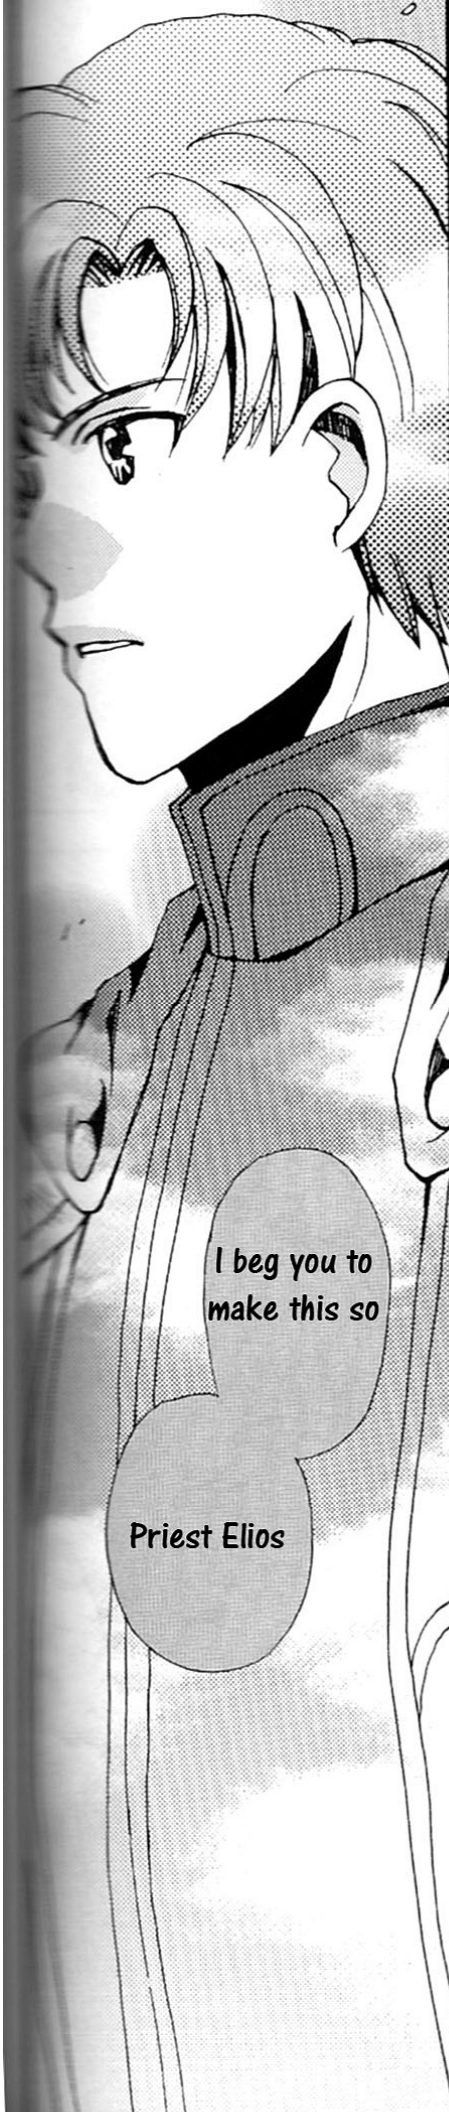

I guess karma is
finally starting to
catch up to me

My body has
survived
through so
much...

Because I was
reincarnated, I
have a chance to
begin anew in this
body

I beg you to
make this so

Priest Elios

For
example

I want common
people and royalty
to walk together,
both being able to
chose their own
destinies

I want to have
options on this
Earth that I
never had on
my own

The past in which I
live is fleeting

To be continued
Moon Revenge. I

A black and white manga-style illustration. A character with long, flowing, light-colored hair is depicted from the chest up, looking down with a somber expression. The hair is thick and has a wavy, ribbon-like texture. The character's right arm is extended downwards, with the hand open and fingers slightly curled. The background is a dark, starry space with a large, detailed full moon in the upper right. The overall mood is melancholic and dreamlike.

MOON REVENGE.0

As long as there is a tomorrow, you will be in my dreams
