6 june/2011

You've been getting along doing things at your own pace until this point, but this month is going to get hectic for you. But don't worry, fate is still on your side. So long as you keep in touch with your friends, you'll be able to share the burden you're carrying between them all and will come out OK.

Lucky Item: A Light Blue Accessory Lucky Day: June 7th

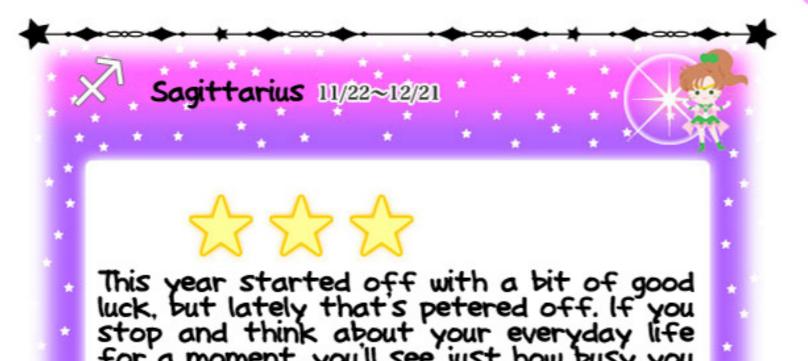

You want to relax and do things at your own pace this month, but with all the things that are going to come up, you'll find yourself feeling very impatient! When that happens, try to get in touch with a friend and they'll help you change your mood. Staying at home will help calm you down a lot.

Lucky Item: Milk Chocolate

Lucky Day: June 4th

This year started off with a bit of good luck, but lately that's petered off. If you stop and think about your everyday life for a moment, you'll see just how busy you really are. This busy rush is going to continue throughout this month too. But don't worry, soon something exciting is going to happen:
