<HOW TO PLAY>

COPYRIGHTED TO JASRAC JAPANESE MUSIC ASSOCIATION T-620163

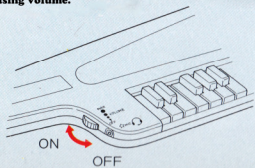

1 POWERING IT ON

- On the reverse side of the keytar, please open battery latch.
- Insert the batteries in the order illustrated below.

2 SWITCH THE POWER ON

- Slide the volume roller all the way up into the "on" position. To turn it off, slide the roller all the way down as if you are decreasing volume.

3 KARAOKE

- Select either position 7, "Sailor stars song", or 6 "Moonlight Densetsu", and the melody should begin to auto-play. If you would like to stop mid-song, slide the volume roller to the "off" position.
- Before the song begins, the instrument will give you a heads up by shouting out "Let's sailor band!", please be aware.
- For microphone play: Insert microphone accessory pin into the jack as illustrated below for more karaoke fun.
- During karaoke play, you can not select any of the melody play modes.

TRY SINGING THE "SAILOR STARS SONG" AND "MOONLIGHT DENSETSU" TRACKS AS BEST AS YOU CAN!

5 MELODY GUIDE

- Hit button 5 to activate melody guide mode.
- Select a melody from section 8 (songs A-H).
- Hit the keys as they light up to play the melody. If you hit keys that are not lit up while in this mode, no sound will play.

HIT THE KEYS AS THEY LIGHT UP TO PLAY A SONG!

6 PLAY YOUR HEART OUT!

- Select button 4 for play your heart out mode.
- Select a song from section 8, A-H. Try to play along with the melody you've selected all on your own.
- Key will light up when you press the correct key in sequence for the melody.

SHOCK EVERYONE WITH YOUR SKILLS!

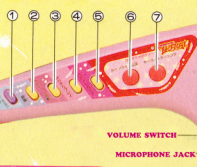

● SOUND QUALITY CAN SLIGHTLY VARY BETWEEN FUNCTION MODES, BUT THIS IS NOT A MALFUNCTION

WARNING Parents please read

- Please do not allow your child to swallow small parts or batteries.
