## Queen Beryl!

The Queen of the Dark Kingdom. She uses the Four Generals as her subordinates.... Her goal is to conquer Earth for herself.

We will return to our original selves by collecting energy!

It's just as I thought! It's all the work of the Dark Kingdom. And now it looks like they're going after Rei. Alright, now it's my turn to show them!

I've made up my mind,  
 No matter what kind of monster,  
 I won't get scared, I think...  
 But, what is that... that strange  
 thing that's come over here!!

Shurru!

shurru!

Huh,  
 what's  
 that?

Shurru!  
 Shurru!

Stop right there,  
 monsters!  
 I am the sailor suited  
 Guardian of love  
 and justice,  
 Sailor Moon!

IN THE  
 NAME OF  
 THE

 I'LL  
 PUNISH  
 YOU!

**Mars' power**

**Make Up!**

No way!!  
Rei is a guardian too.  
The Guardian of flame  
and passion, Sailor  
Mars appears!

**Sailor Mars**  
A priestess  
of the Hikawa  
shrine, when Rei  
transforms she  
becomes the  
third of the Sailor  
guardians.  
She fights by  
manipulating fire.

Ah! The mark  
of a guardian!  
It looks like Rei is  
one of our allies too.  
Transform!

Rei,  
run!

Oh man.  
I can't move  
at all!

All of the sudden,  
Rei's bracelet began  
to shine!

You're  
alright  
now,  
Usagi.

Thanks!

Sailor Mars completely destroyed the  
monsters with her flames! Rei is so cool!  
I'm twirling around in excitement trying  
to get a grip.

How dare them!  
I won't let them  
interfere anymore...  
I'll make even  
stronger monsters!

In the name of  
Mars, I'll  
punish you!  
Monster,  
Disperse!

Uu...

**Stop  
it!**

As the monsters tried to steal energy, Mako flew over to stop them. But look out, it's dangerous, Mako-chan!

**Hyyurururu**

Agh, so painful...

If you get in my way, I won't forgive you for it!

As she ran to help me, Mako-chan's body began to emit light!

**She's glittering!**

Naru

The next round of monsters took Naru and friends to a mysterious world where they stole their energy.

For Queen Berry's sake, I'll steal all their energy!

Awesome! Mako-chan is the fourth guardian. She transforms into Sailor Jupiter, the guardian of thunder and courage. She's really reliable.

In the name of Jupiter, I'll punish you!

**Sailor Jupiter**  
When Mako-chan, who is good at cooking, transforms, she becomes the fourth guardian. Her powers are her Supreme Thunder and Flower Hurricane.

Let's all fight together!

I bet Mako-chan is a guardian too. Transform!

# Supreme Thunder!

With the powers of these two, the monsters don't stand a chance! Even if the monsters make my heart beat fast, I know that since all of the guardians have been gathered together, there's nothing to fear.

You've done well, Usagi! We must now search for the princess.
