Everyone's
talking about
Tuxedo Mask and
Sailor V! Luna told
me to stay on both
of their trails. I just
adore Minako, and
recently, that guy
has been on my
mind a lot...

AAAAH!
This monster
is very
strong!

Oh, no!
Ami's
getting
attacked
by a

planning something.

Nephrite

Sailor Venus Minako Aino

She is the 5th
Pretty Guardian.
Is the Jewel in
her tiara the
Silver Crystal?

Sailor V
Is the
Princess?

I am the
Moon Princess,
**SAILOR
VENUS!**

I don't believe it!
The Princess we've
been searching for
this whole time
was Sailor V?
What on earth is
going on?

Stop right there!

Where
is the
Princess?

We were
caught by
Nephrite
and his
monster.

But then..!

What?
Sailor V
transformed?

I'll
take
you on!

Artemis

Moon
Twilight
Flash!

I'll punish
you in the
name of
the moon!

Yay! The Princess
saved me from the
monster. Now, it's
my turn to fight!

Thanks,
Princess!

Here, Sailor
Moon! Now
you're free!

Arrrrg!

SNAP!

And then Nephrite called
called up a whole bunch of
his monsters! We had to do
our best to protect the
Princess! Let's work together
to beat those guys! ♡

Clitter

Yes!
The Silver

MINE!

Oh, is that
what you were
after? You
can have it.

What?

Damn! He
stole the tiara!
We're done for.
But, Princess...?

Now, give
me that
tiara!

WHAT?!

But that was
Nephrite's
trap!
While we
were fighting
the monsters,
he attacked
the Princess!

Oh, no!
He'll steal
the Silver
Crystal!

What?
She has
tons of
tiaras!

What's
going on?

That tiara
is fake.
Too bad.

Good thinking,
Princess!

The Princess
planned ahead
and made tons
of tiaras!

Curses!
How dare
you fool
me!!

Fwussshh

Geez, Princess, you really got me worried!
But I'm so glad we found you.
Let's do our best!

Now,
lend me
your
power,
Sailor
Moon!

O k a y!

ARRRRG!!

Is that the
princess I
saw in my
