

アクト エイト ミナコ セーラー
Act 8 Minako SAILOR 

Pretty Soldier Sailormoon

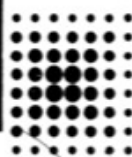

f w / i p

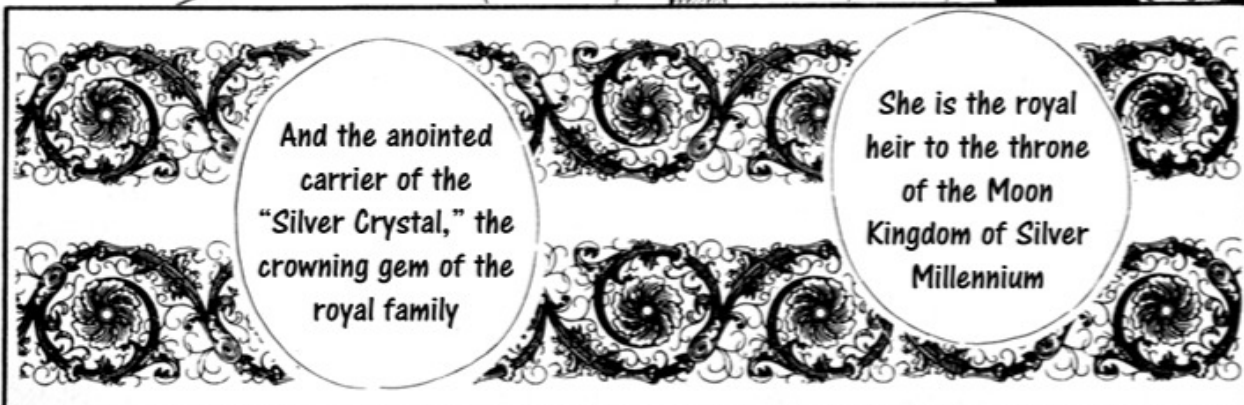

RED GOGGLES?!
LIKE V FROM THE
VIDEO GAME?!

Oh yeah. I hardly ever
take off this mask in
front of anyone.

Sheesh!
How rude!

This woman is Sailor
V to be sure, but
more than that

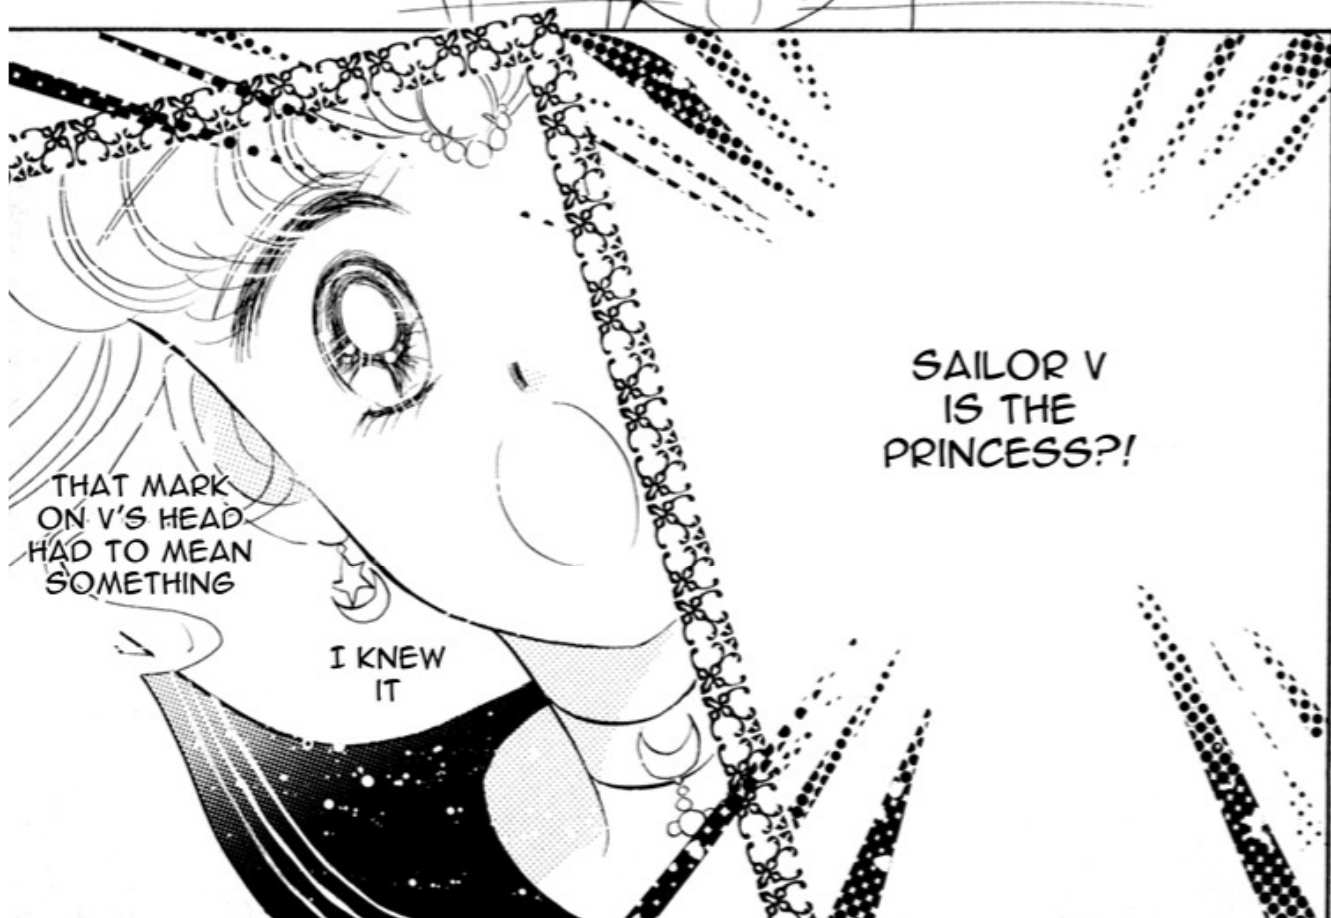

And the anointed
carrier of the
"Silver Crystal," the
crowning gem of the
royal family

She is the royal
heir to the throne
of the Moon
Kingdom of Silver
Millennium

She is Princess
Serenity!

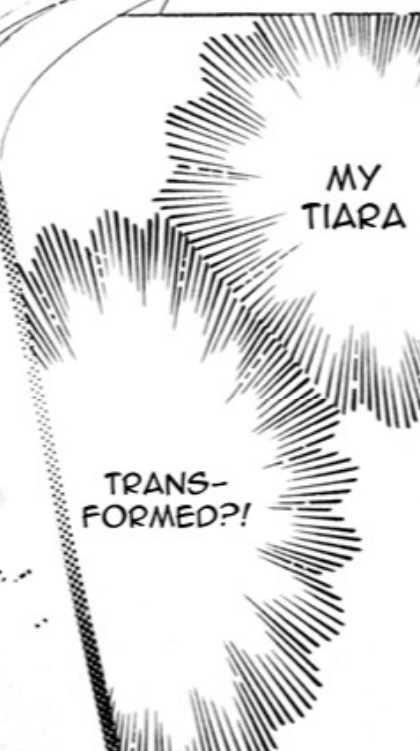

THAT MARK
ON V'S HEAD
HAD TO MEAN
SOMETHING

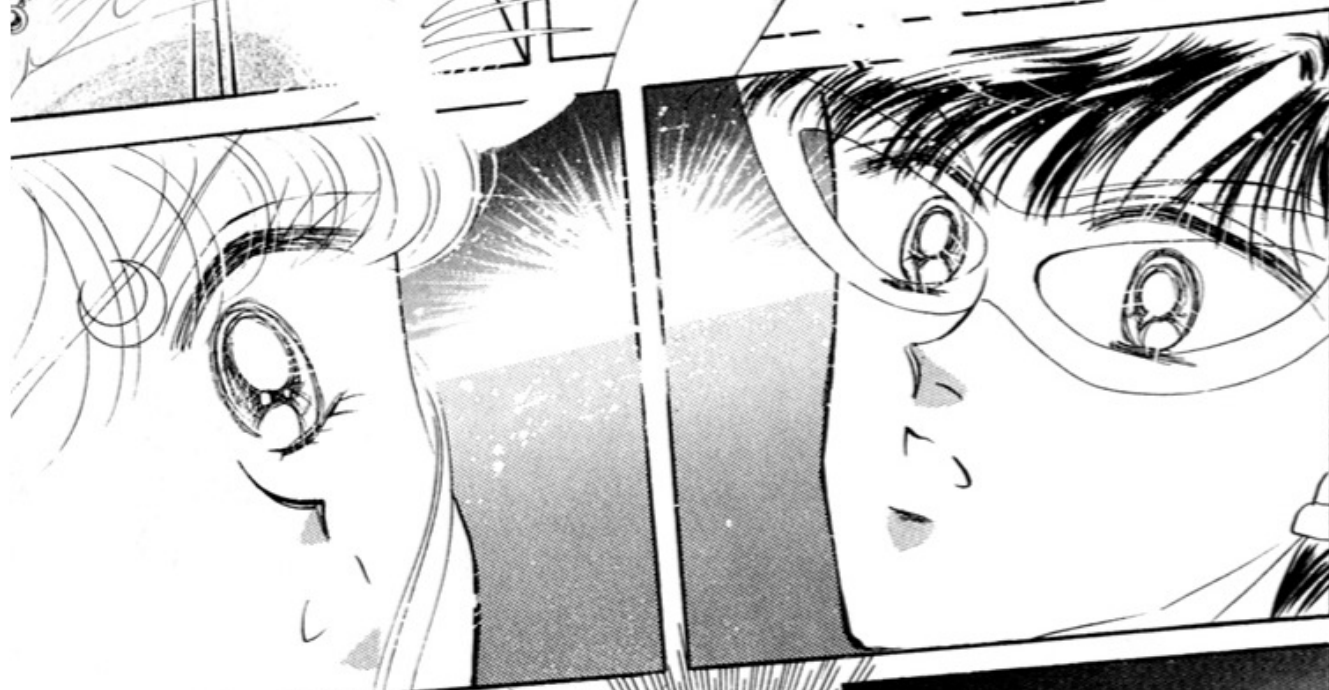

I KNEW
IT

SAILOR V
IS THE
PRINCESS?!

I FEEL LIKE I JUST REMEMBERED SOMETHING REALLY IMPORTANT

Help me!
Nooo!

USAGI

IT
SOUNDS
FAMILIAR, I
ALMOST
REMEMBER
IT

SO
THAT'S
YOUR
NAME?

PRINCESS
SERENITY

You've done well
so far, Sailor
Moon

I WAS
UNABLE TO
PROTECT
YOU
MYSELF...

MY ROLE MODEL
SAILOR V IS STANDING
RIGHT BEFORE MY EYES

AND SHE'S
THE
PRINCESS,
TOO. IT
CAN'T BE
REAL...

Did the fighting
simulations on the
Sailor V game make
an impact on you?

I've been watching you from
that game for so long that it
doesn't feel like this is only the
first time we're meeting

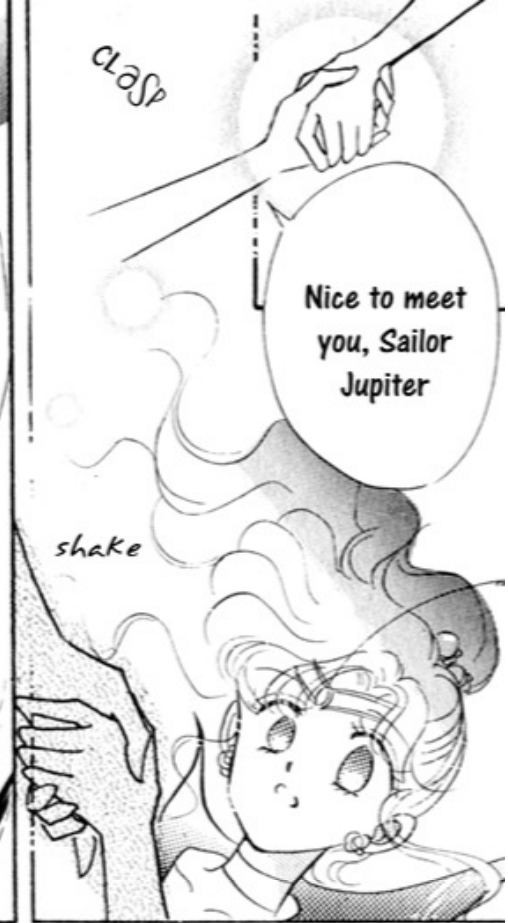

♡ hee
hee

Seems like
it did

THE ONE
TALKING TO
ME IN THE
GAME WAS V
HERSELF?!

THAT SAILOR V
GAME WAS
TEACHING ME
HOW TO FIGHT
ALL ALONG?

SWISH

Oh, it's been
so long since
I've been in
the control
room!

Sincerest apologies,
Princess, for not
going to meet up
with you

Luna! Why are
you apologizing?
You were carrying
out your duties,
you did the right
thing!

Why did you
wait so long
to make
contact?

And you
knew who
we were...?

We've been
searching for so long,
but to think, all along
you've been the
Princess

Sailor V, no,
Princess

Let's discuss
this all

Where
should I
begin?

Mercury

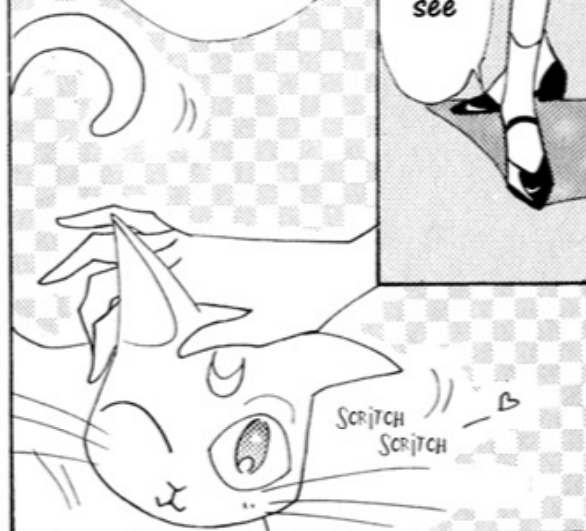

At first I worked to fight
crime as a soldier of
justice here in Tokyo,
solving mysteries with
Artemis

I didn't
know
about any
of you
yet

I met my partner
Artemis quite some
time ago

Let's
see

Until you had all
awakened, I decided I
would investigate our
enemy on my own

I wanted to meet
you all sooner,
but

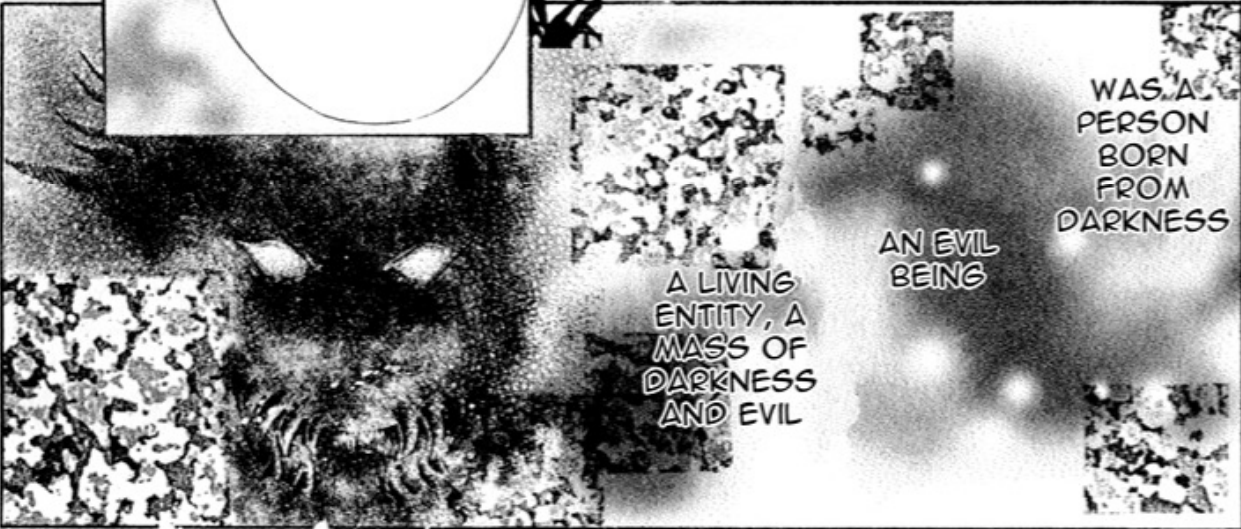

I didn't meet
with Luna
until much
later

And I quickly realized
as I pursued them that
this entity was not
human

As I
gathered
data

I saw that there
was a single large
shadow entity
behind all of the
crimes

Those behind the incidents are known as the Dark Kingdom

And behind that, manipulating the Dark Kingdom

WAS A PERSON BORN FROM DARKNESS

AN EVIL BEING

A LIVING ENTITY, A MASS OF DARKNESS AND EVIL

Princess, have you encountered this being yourself?

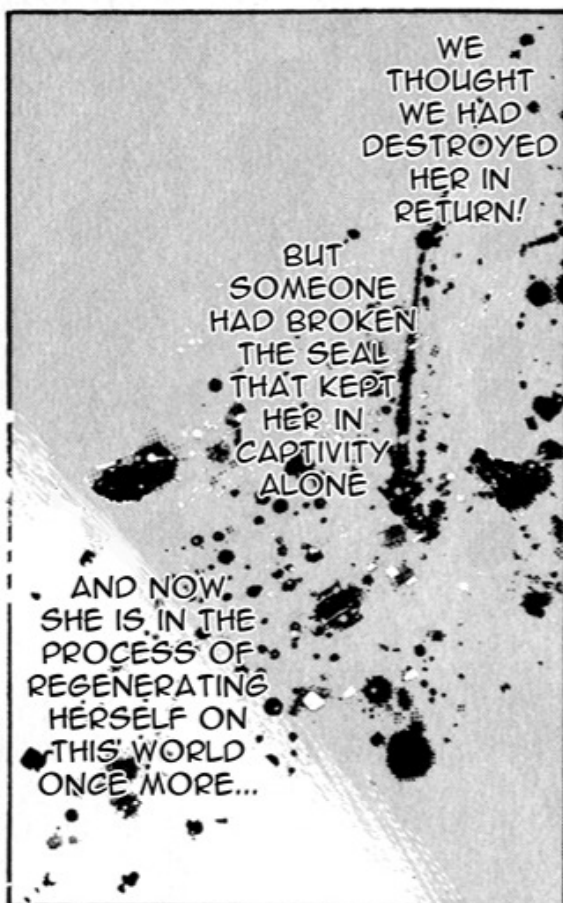

To do this, she must use human energy. She has been using our life sources as a means of gathering power for herself

HER OVERALL AIM IS TO TAKE OVER THE WORLD!

WANTING TO GAIN POWER

WANTING TO DRAW ON THE POWER OF THE "SILVER CRYSTAL", THE STONE OF THE MOON KINGDOM

WE
THOUGHT
WE HAD
DESTROYED
HER IN
RETURN!

BUT
SOMEONE
HAD BROKEN
THE SEAL
THAT KEPT
HER IN
CAPTIVITY
ALONE

AND NOW
SHE IS IN THE
PROCESS OF
REGENERATING
HERSELF ON
THIS WORLD
ONCE MORE...

Because of it, the Moon
Kingdom...the whole Silver
Millenium..was destroyed,
along with everyone's
happiness.

Yes. Long,
long ago

This time we must
seal that thing away,
for all eternity, once
and for all!

We must avoid
repeating the
mistakes of the
past

You guys
understand,
right?

Princess, what
about the "Silver
Crystal"?

THAT IS WHY
WE MUST
WORK AS
SOLDIERS
NOW

REALLY?

SO WE WERE
RESURRECTED
HERE FROM THE
PAST TO FIX OUR
MISTAKES

WE CAN'T
ALLOW IT TO
FALL INTO THE
WRONG
HANDS...!

RIGHT,
THE
"SILVER
CRYSTAL"

But don't
worry, it has not
fallen into enemy
hands

Unfortunately, I can't
tell you its location
because I worry about
its security

Everyone,
now we must
fight!

The enemy has already
pinpointed us as a
target. We must protect
the "Silver Crystal"

HOW
CAN
SHE BE

IT SEEMS
LIKE WE'RE
THE ONES
BEING
PROTECTED
BY HER

SUCH A
COURAGEOUS
AND AWE-
INSPIRING
PRINCESS?

PRINCESS SERENITY

MY HEAD
FEELS REALLY
FUZZY AND
STRANGE

THE CLOSER
SHE COMES
TO US

IS THAT
WHAT
HAPPENED

SERENITY

PRINCESS

JA

UGHHHH

SHOCK

Endymion!!

A dream...

AND THAT MAN
I KEEP SEEING
IN MY DREAMS,
HIS NAME IS
ENDYMION...

BUT WHO IS
THE ONE WHO
KEEPS
TURNING TO
FACE HIM?

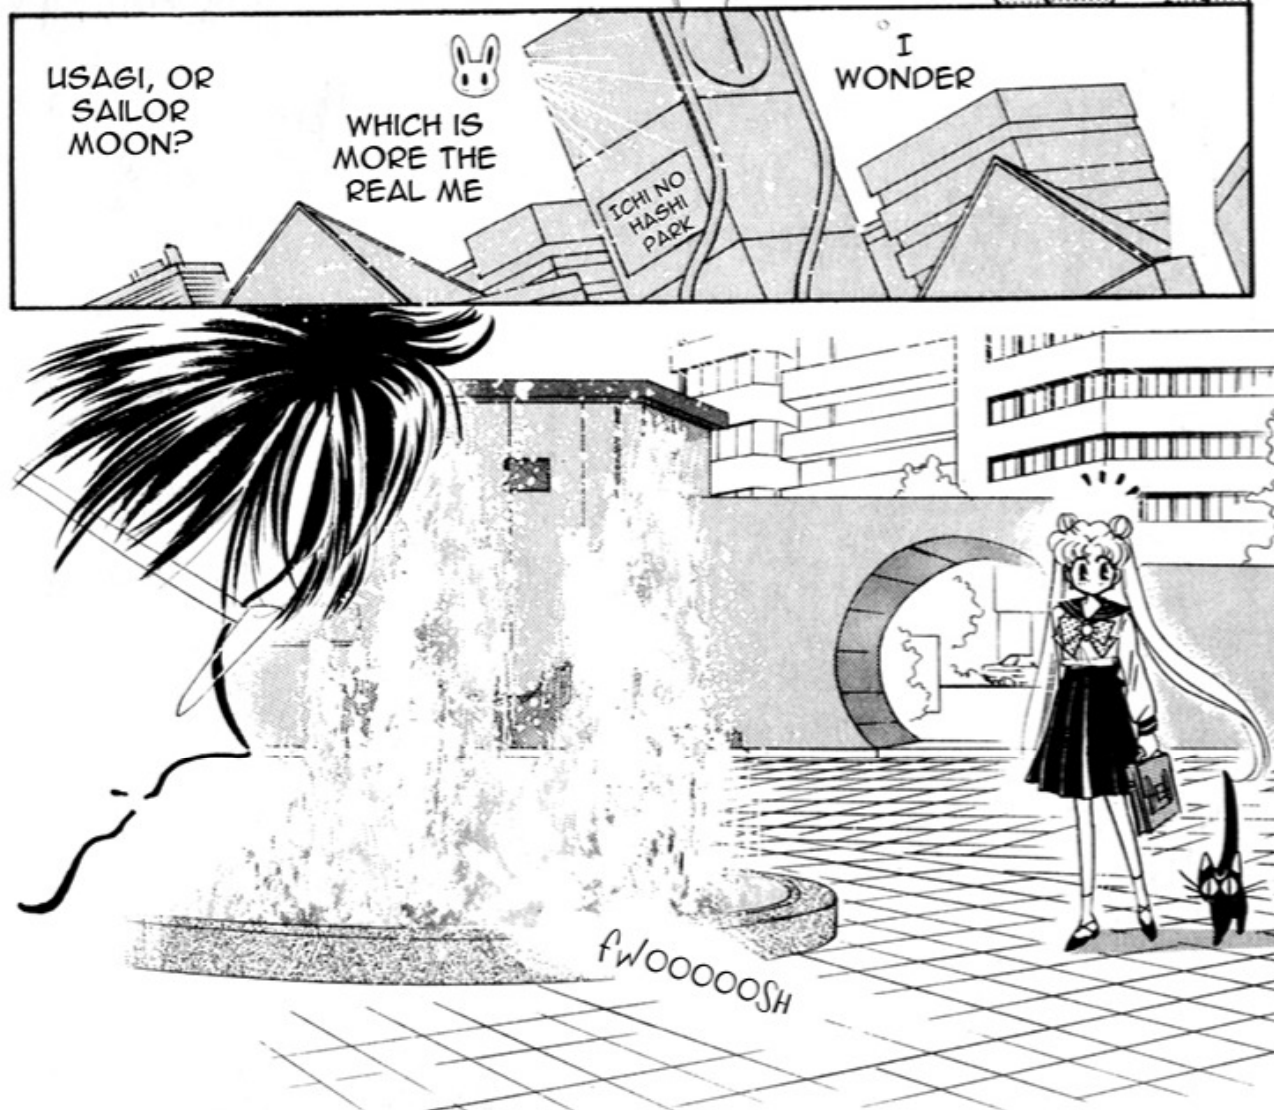

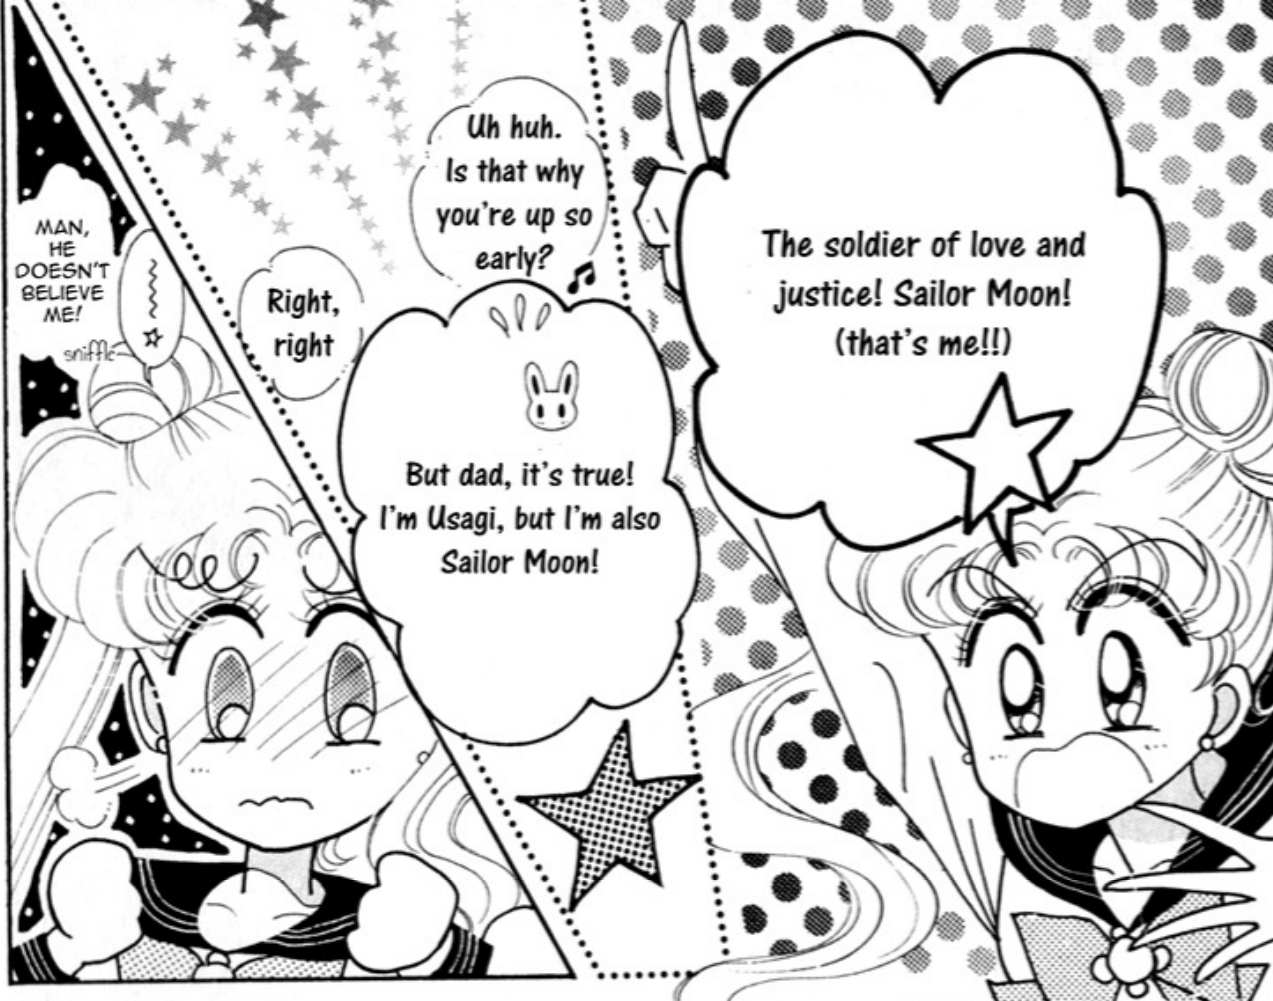

— HE KEEPS SAYING,
"SERENITY"—

EVER SINCE WE
MET THE PRINCESS,
I KEEP HAVING THIS
SAME DREAM

IS IT ME?

yawn

— TUXEDO MASK! —

"THE
SILVER
CRYSTAL"

I'M SEARCHING
FOR THE ONE
THING THAT
WILL JOG MY
MEMORY

THE
"SILVER
CRYSTAL"

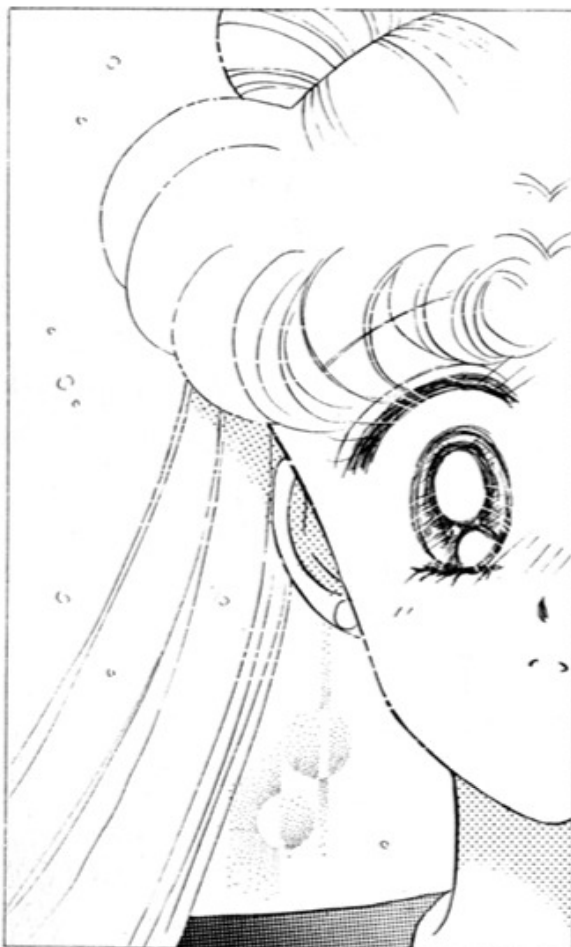

I WONDER
WHAT KIND OF
GEM IT IS

Help me!
N000!

THE "SILVER
CRYSTAL"
EVERYONE
SEEMS TO
BE LOOKING
FOR

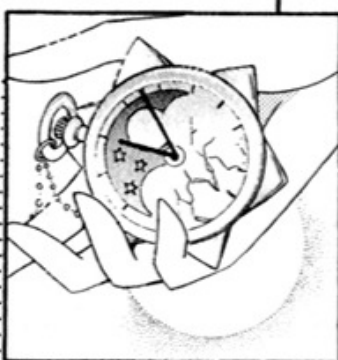

But, it
seems like
fate brought
us here to
meet today

Now that I'm
seeing you
again, it's
so hard to
face you

You
know

FATE
MADE US
MEET

Usagi?

Yeah!
Totally

THUMP
THUMP

This watch...is it
yours? I thought I
should return it to
you

Oh, um

YOU DROPPED
THIS
HANDKERCHIEF
BACK AT THE
MASQUERADE

But Usagi, I have
something of yours
I'd like to return to
you

No, keep it

I've been
holding on
to it

I've been trying
to find a chance
to give it back to
you for a while
now

Let's just
trade

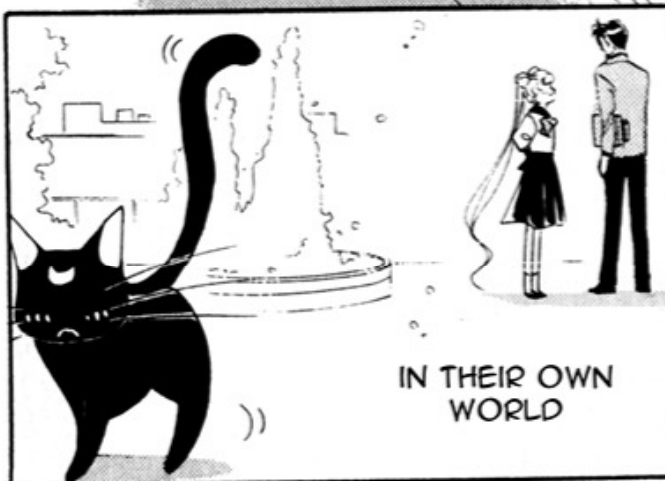

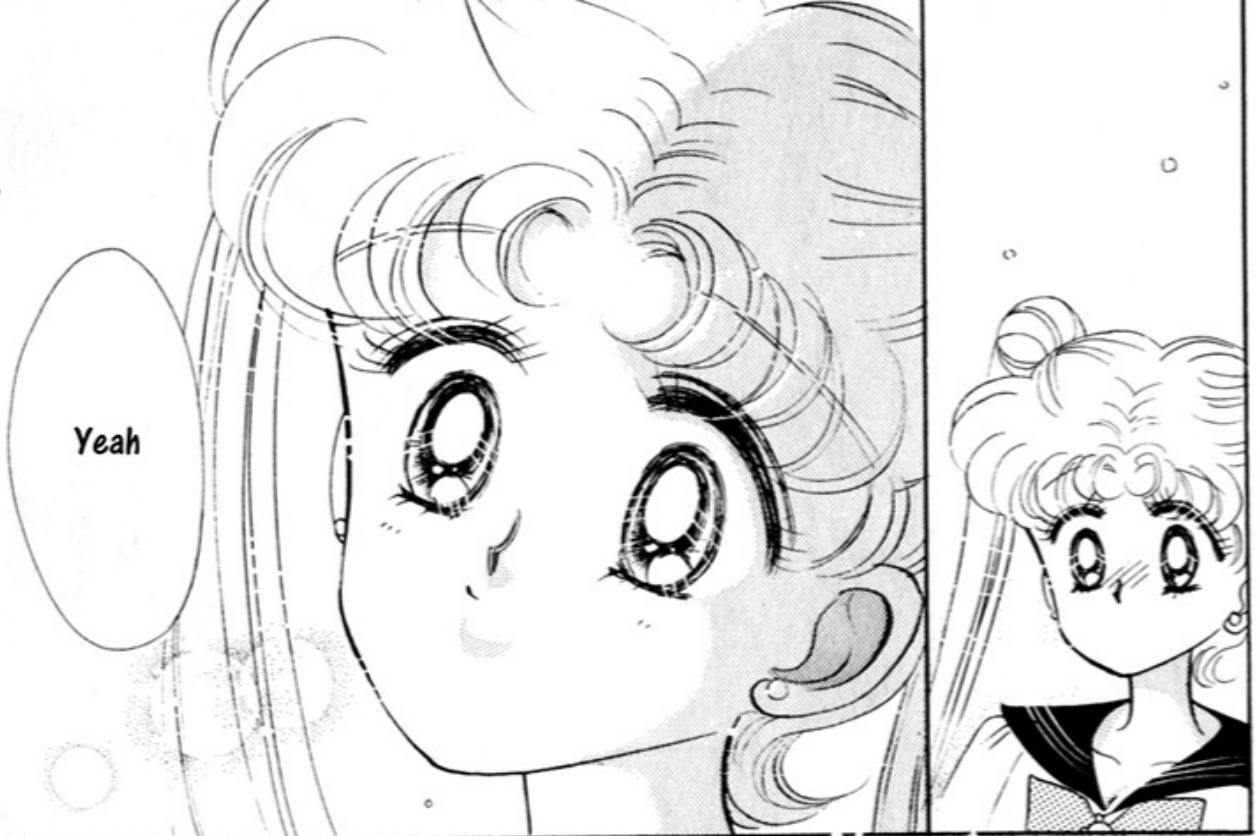

For
sure

Next
time

Huh? Something
for me? Something
you've been
holding on to? You
were doing that
for me?!

TUXEDO
MASK

CHIBA
MAMORU

BUT I WORRY
ABOUT THAT
GUY

USAGI IS
HEAD OVER
HEELS IN
LOVE

PONT

MAN, IT'S
NO USE
NOW

You've got
nothing to worry
about there

Is it really okay for Usagi to
have fallen in love with him?
Who is he, anyway?

But, that's not all. So that you
wouldn't feel the full burden of
your mission, many of your
past memories were hidden
from you

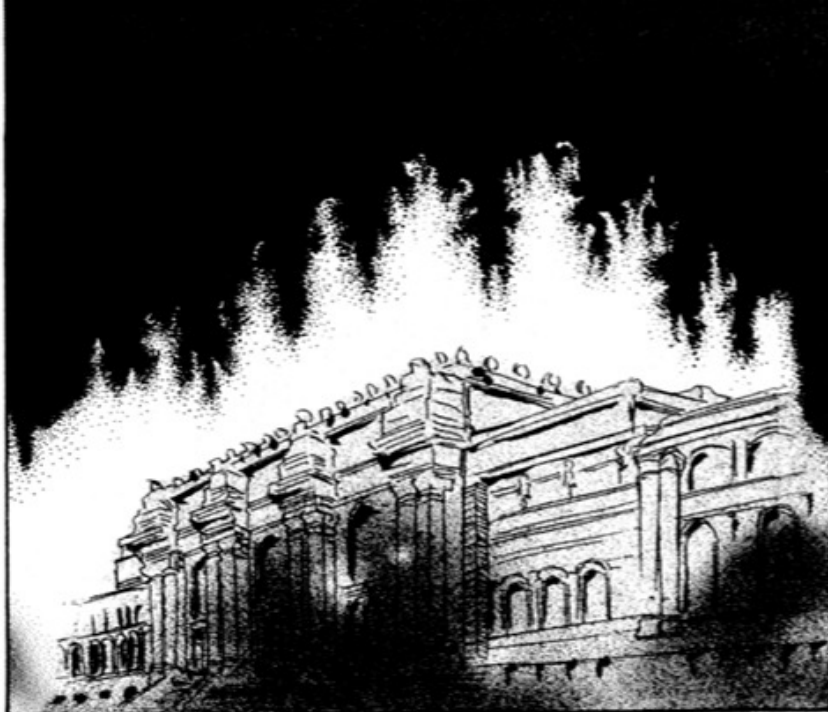

Luna, your first
obligation was to find
Sailor Moon and the
others

Luna

Artemis?

It's time
you knew
everything,
Luna

Your original
and real mission
has always been
to watch after
"Her Highness"

Yes,
Queen
Metallia

Ohh

The
Princess
of the
Moon
Kingdom?

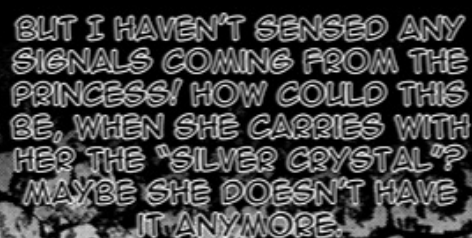

She has
appeared at
last, to
restore her
Kingdom!

fwoosh

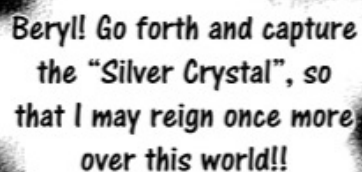

It was
she who
destroyed
me

WE
CAN'T
HOLD
BACK
ANY
LONGER!

BUT I HAVEN'T SENSED ANY
SIGNALS COMING FROM THE
PRINCESS! HOW COULD THIS
BE, WHEN SHE CARRIES WITH
HER THE "SILVER CRYSTAL"?
MAYBE SHE DOESN'T HAVE
IT ANYMORE.

Beryl! Go forth and capture
the "Silver Crystal", so
that I may reign once more
over this world!!

BUT THIS
TIME!

WE WILL BE
THE ONES
TO CLAIM
VICTORY!
BWAHAHAHA!

ALL OF THE
PLAYERS
COMPETING FOR
THE "SILVER
CRYSTAL" HAVE
GATHERED

SOON-
THE REAL
BATTLE WILL
BEGIN

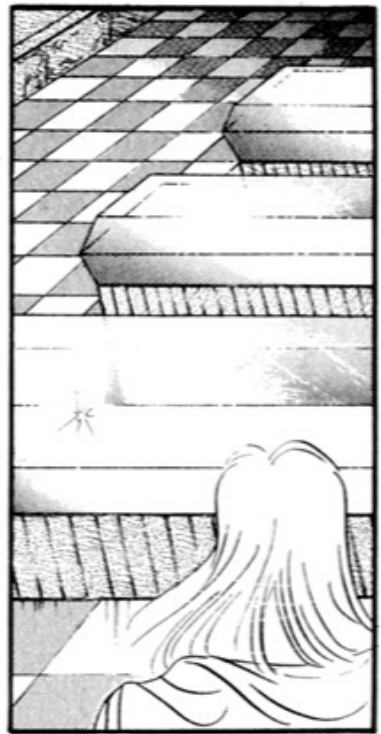

THE
PRINCESS
OF THE
SILVER
MILLENNIUM
HAS BEEN
RESURRECTED...

SUCH A
PITY

JADEITE,
NEPHRITE...
ONE BY ONE,
YOU'VE ALL
DIED

ZOICITE...
HOW COULD
YOU HAVE
ENDED UP
LIKE THIS
TOO...

But
before that, i
will kill all of
the sailor
soldiers, and
their beloved
Princess in
retribution

Understood,
Queen Beryl

Of the
Four
Generals

I, alone,
am left
standing

But
you know,
Kunzite, my
darling
General of
the Middle
East,
if we
had the
"Silver
Crystal"
in our
grasp,
it would
be a small
matter to
resurrect
the others
you hold
so dear

Wow! The night sky sure is beautiful. It's so bright, it doesn't feel like evening at all!

It's like being on the inside of a jewelry box, the stars in the sky are glittering like diamonds.

♥ this is the best view of the city ♥

Soon, a new beauty will take its place. Glittering darkness.

heh

What a waste, such ugly, harsh light

fwoosh

That Sailor V, I mean, uh, the Princess

Isn't it kind of amazing that she lives her life like an ordinary girl, just like us?

I WILL DRAG THEM INTO THE DARKNESS

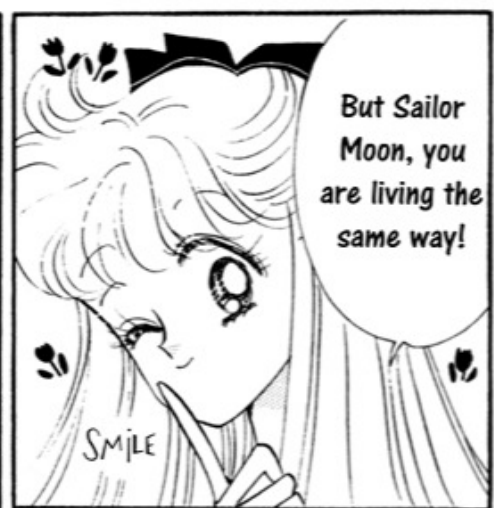

THOSE PITIFUL SAILOR SOLDIERS AND THEIR WRETCHED PRINCESS WILL HAVE TO FACE ME IN IT!

As soon as you detransform

It's like your intelligence level immediately disappears with your costume

Usagi, you're such a dolt

But Sailor Moon, you are living the same way!

SMILE

heh heh

whatever, i'm just being honest

come on you two

Rei, you're so cruel! (you didn't have to be so harsh!)

I wish you wouldn't say such appalling, stupid things to our Princess. It's embarrassing!

SHOCK

fwoooooosh

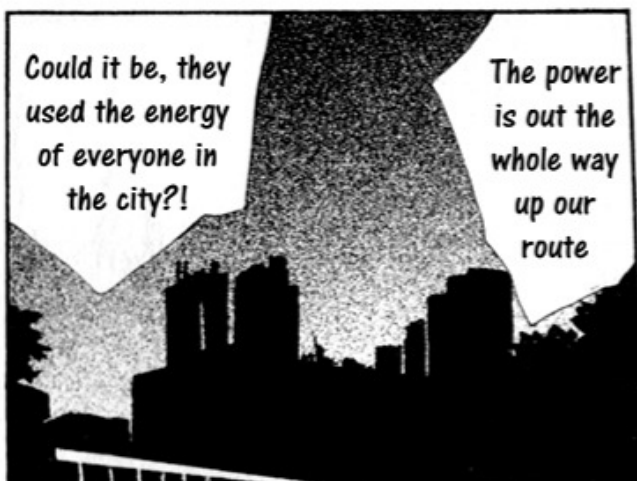

ZAP

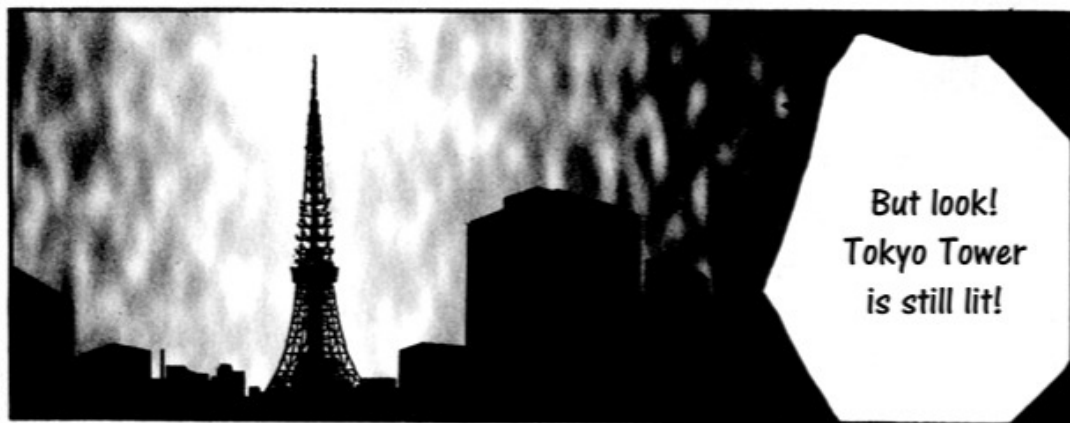

CRACK

But look!
Tokyo Tower
is still lit!

Fine, then
we'll protect
you!

No! Let's
go!

Princess, you can't!
You've got to join
Artemis and Luna in
the control room for
your own safety!

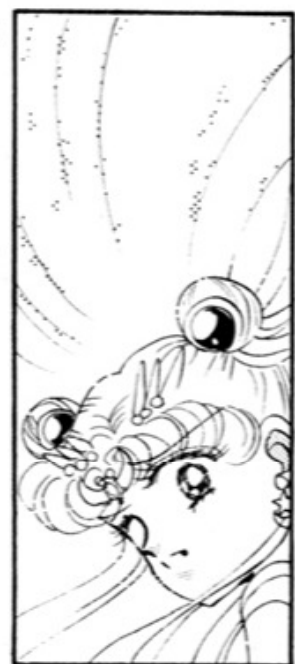

Come on!
Let's go
there!

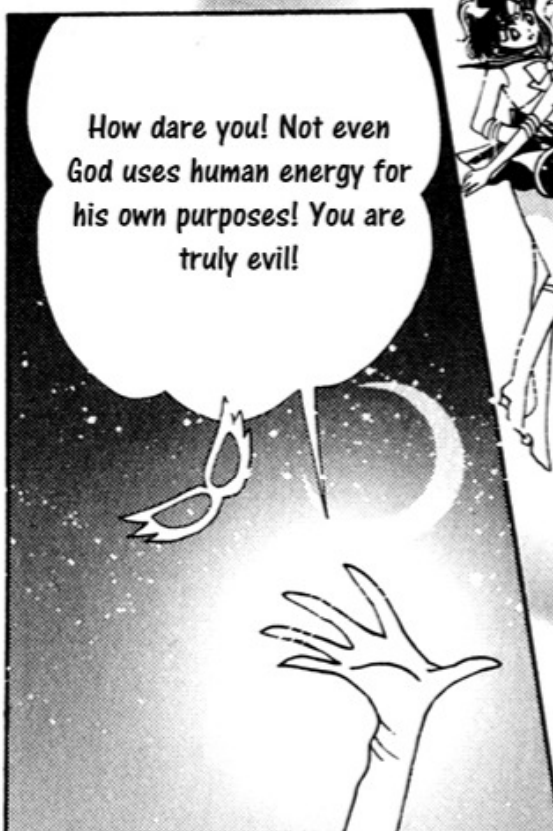

MY CHEST IS
TIGHT, I'M SO
WORRIED

MAMORU...
OH,
MAMORU!

TUXEDO MASK?!
I WONDER IF
HE'S OKAY? HAS
HE BEEN KILLED
TOO?

CATCH

YOU CAME
TO MY
RESCUE,
ONCE
AGAIN...!!

NO
WAY

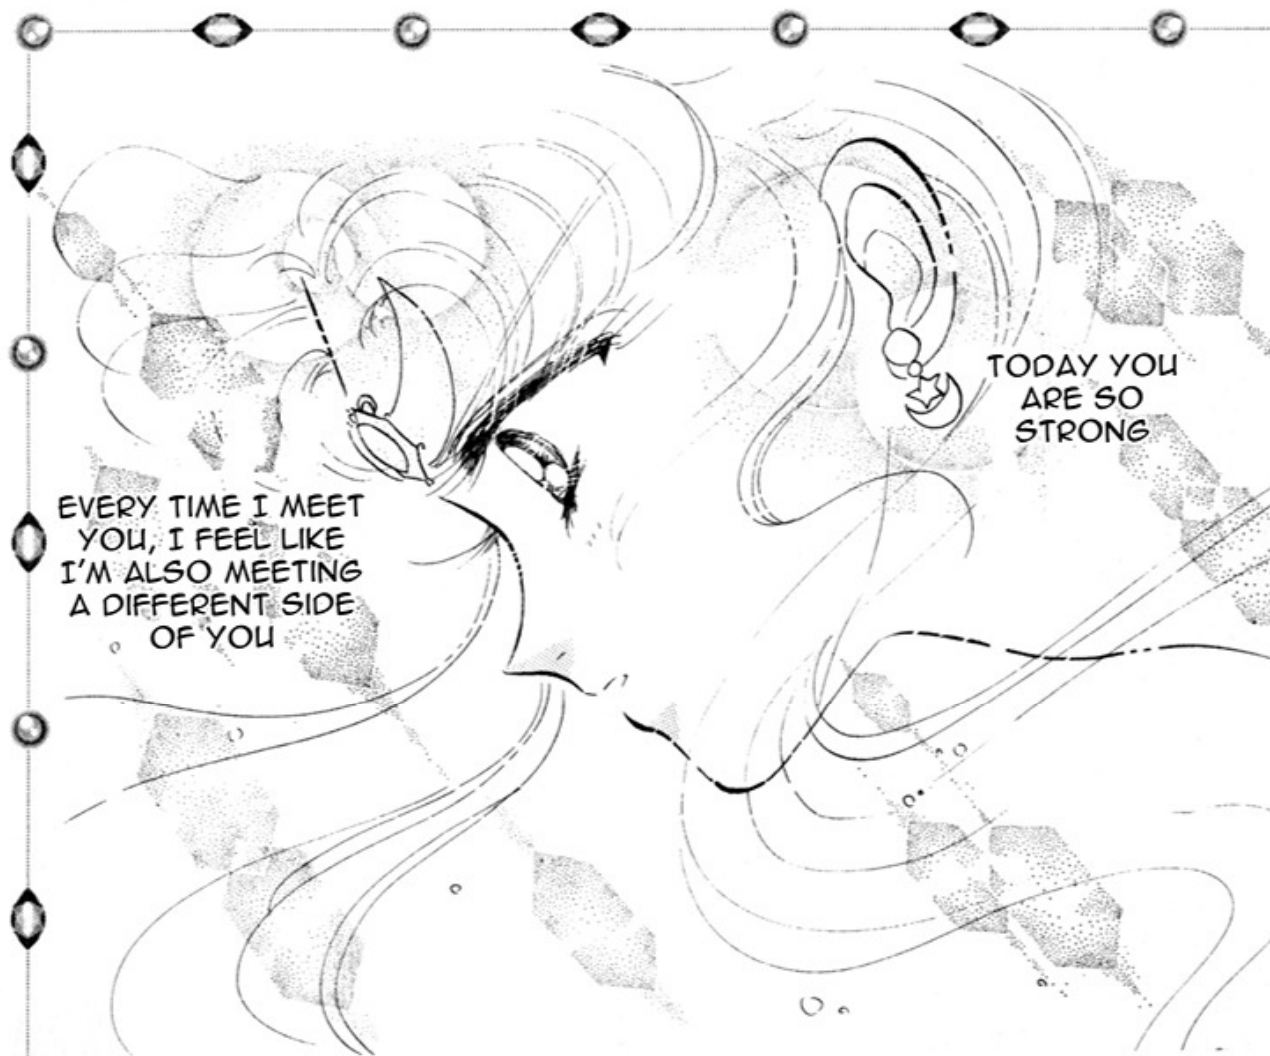

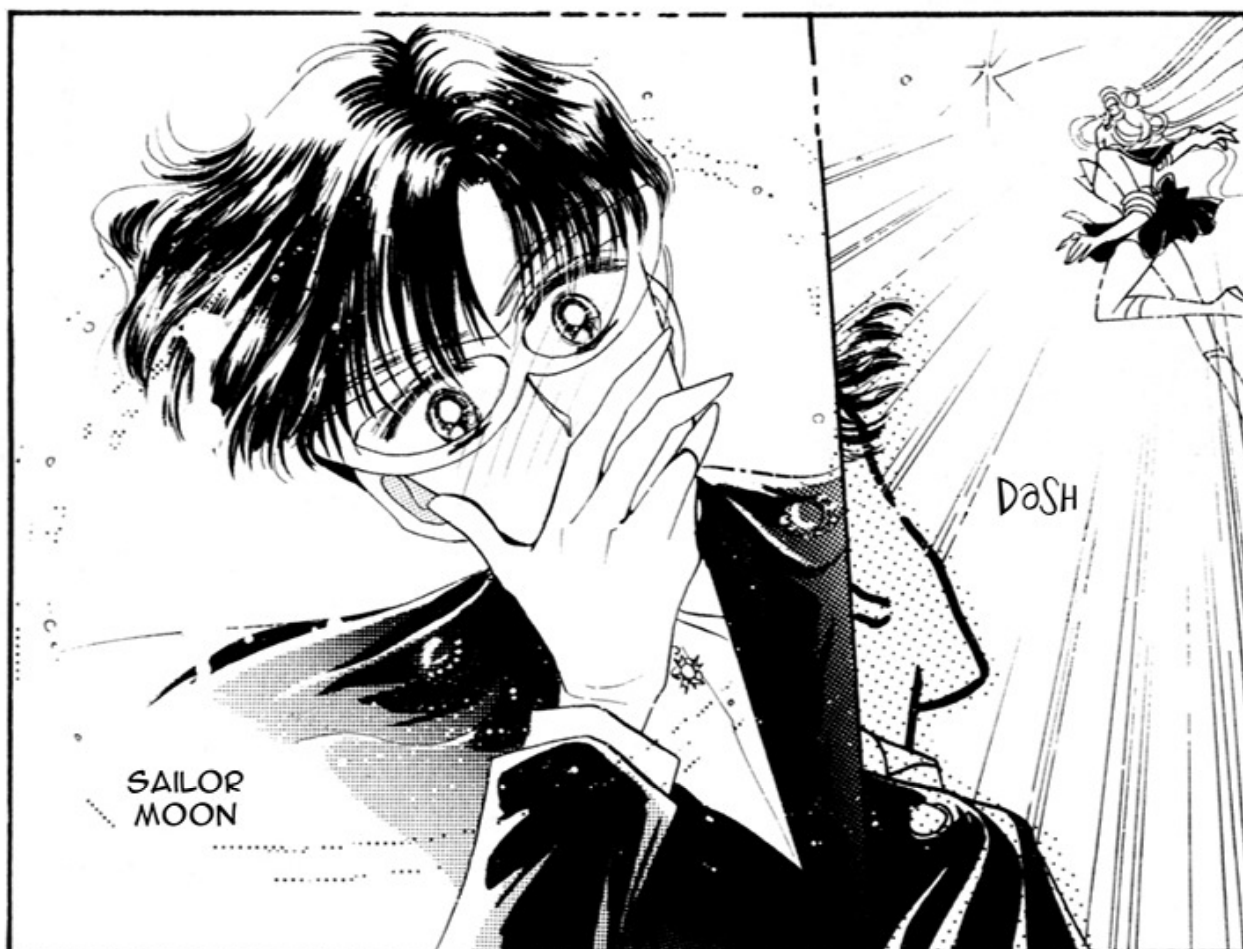

YOU

Grip

HUH

You can't be here!
We're going after the
enemy, we're going to
defeat it! You've got to
run far away!!

smooch

WHAT KIND
OF GIRL
ARE YOU
REALLY,
DEEP
DOWN?!

IS THERE
YET
ANOTHER
VERSION
OF YOU?

CRACKLE

Supreme
Thunder!!

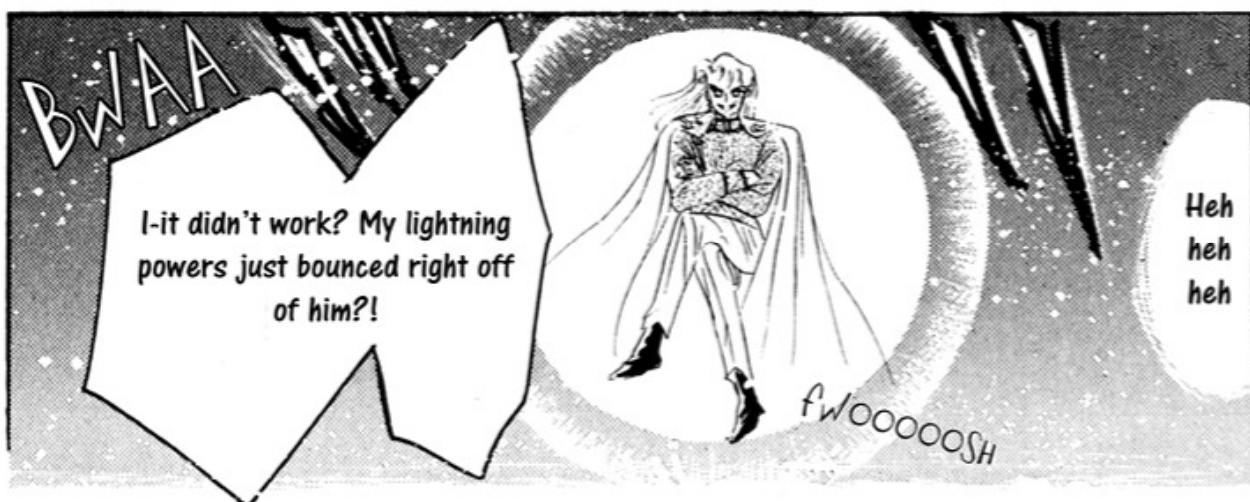

Sailor
Moon!!

PEER

JUST
WHO,
JUST WHO
ARE YOU,
WHO ARE
YOU
REALLY?!

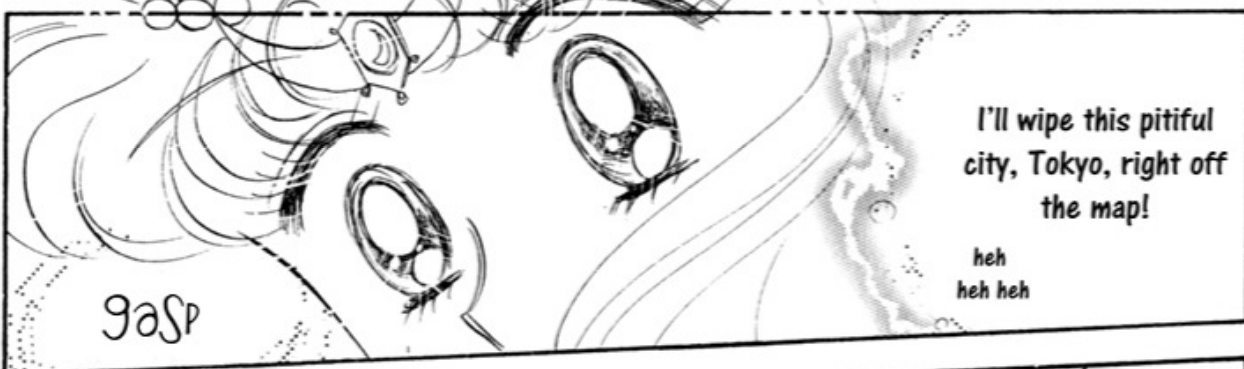

I-it didn't work? My lightning
powers just bounced right off
of him?!

Heh
heh
heh

fwooooosh

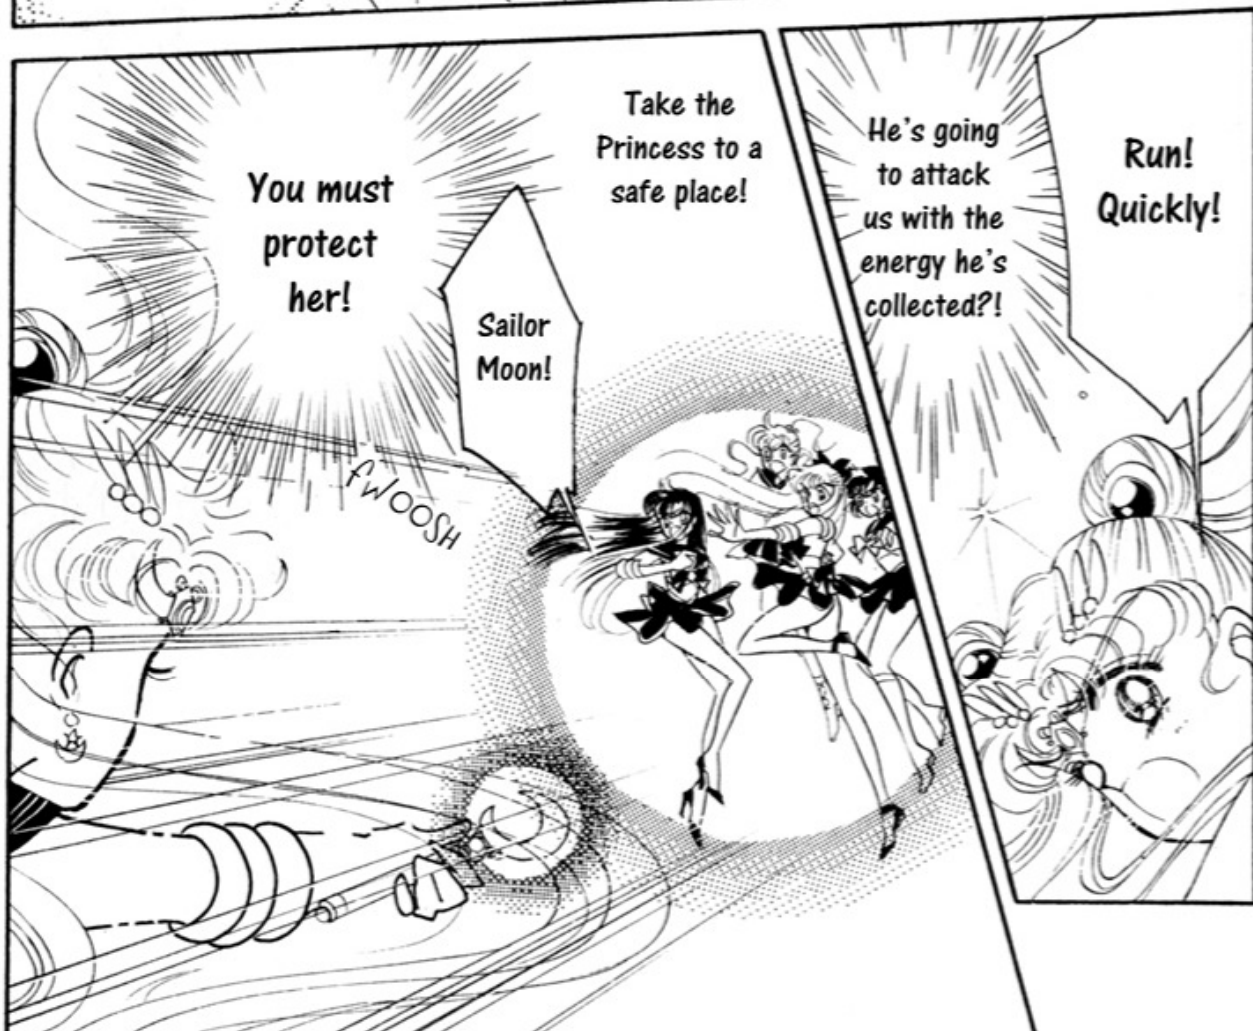

Go ahead, keep
attacking me, keep
giving me all of your
energy. I'll return it to
you a hundred times
stronger when I
attack!

I'll wipe this pitiful
city, Tokyo, right off
the map!

heh
heh heh

gasp

You must
protect
her!

Take the
Princess to a
safe place!

Sailor
Moon!

fwoosh

He's going
to attack
us with the
energy he's
collected?!

Run!
Quickly!
