SAILORMOON

MY NAME IS  
 TSUKINO USAGI. I  
 AM 14 YEARS  
 OLD, AND IN 8TH  
 GRADE.

Mom, you dummy,  
 why didn't you wake  
 me up sooner?!

I'm leaving!

TRIP

STUMBLE

ouch! I must  
 have stepped on  
 something

I don't wanna  
 hafta go to  
 school ~

why does morning  
 always have to  
 come so soon? I'm  
 still sleepy!

PANT

PANT

I AM A  
 BIT OF A  
 CRYBABY

EVEN  
 THOUGH I  
 DON'T LIKE  
 TO ADMIT  
 IT

sniffle

Ah, maybe it's only because I stepped on her.

It's a little black cat. She looks a bit shabby though. ♡

No way! I tripped over a cat?!

Sorry, I'm so sorry! Did I hurt you?!

TEE-HEE, you're so cute! Forgive me! MWAAA~ ♡

Why the hell are you scratching me like that?!

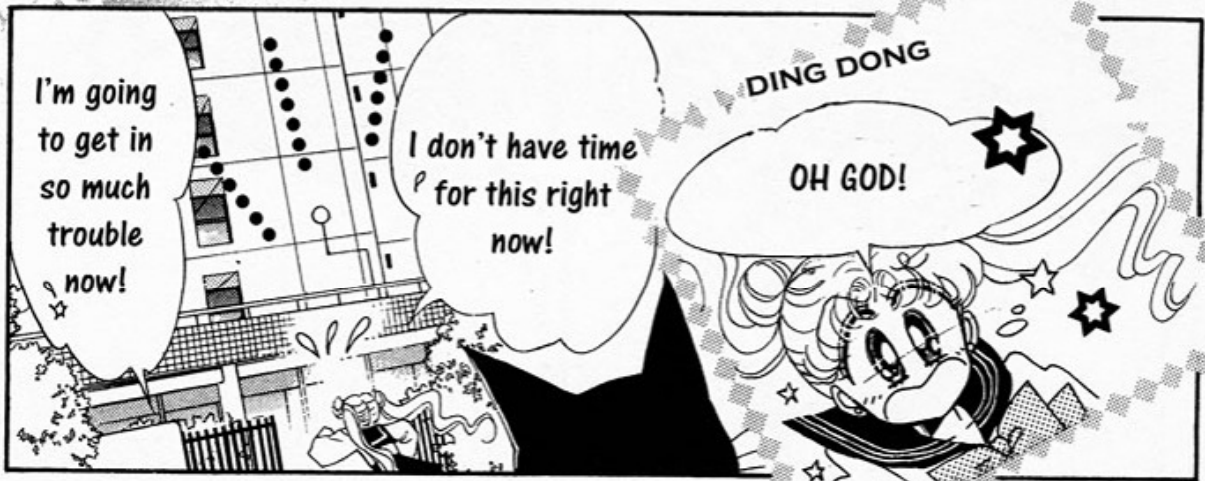

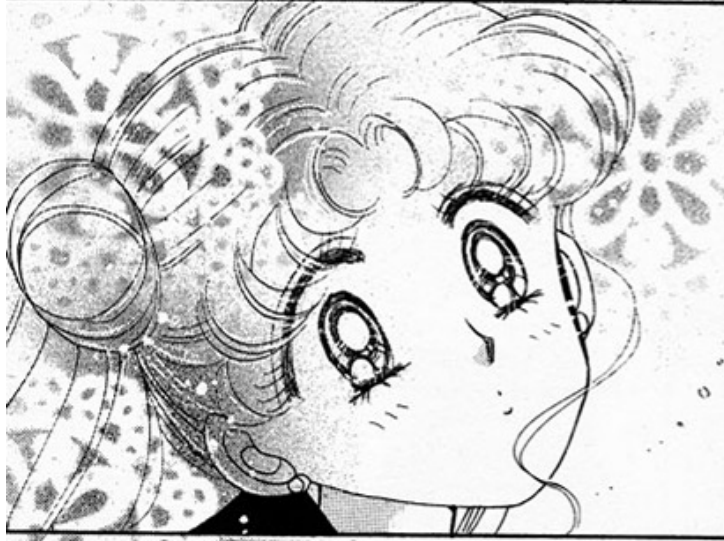

Huh? What's that? Do you want me to take off your bandaid? Okay, okay

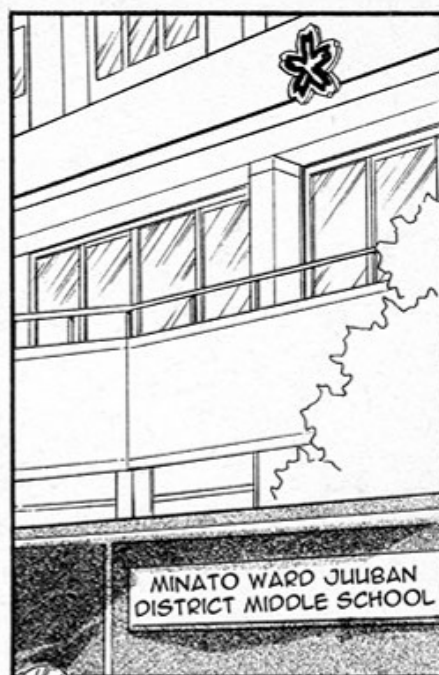

HEH

Giggle

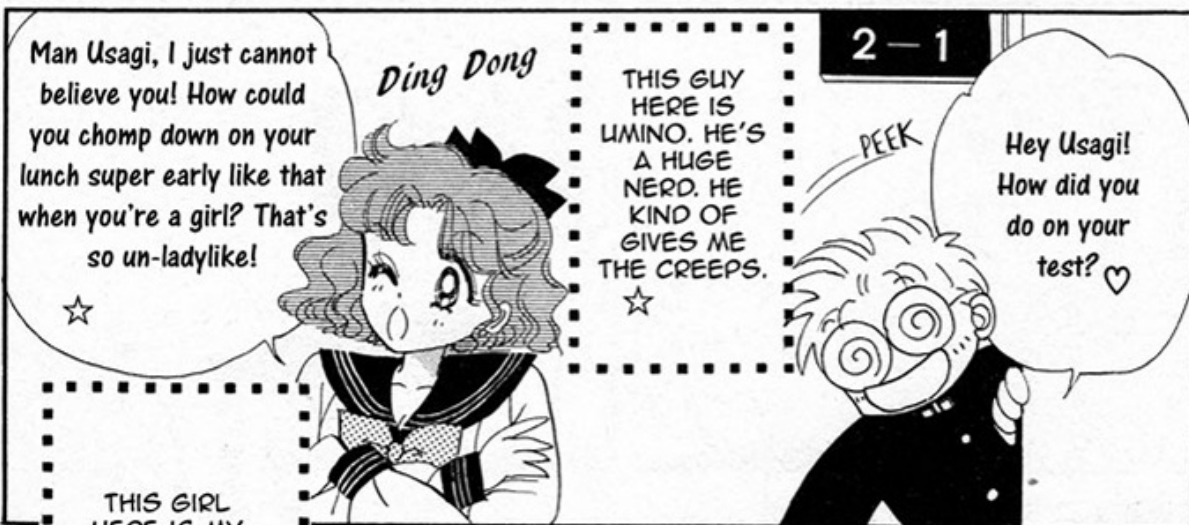

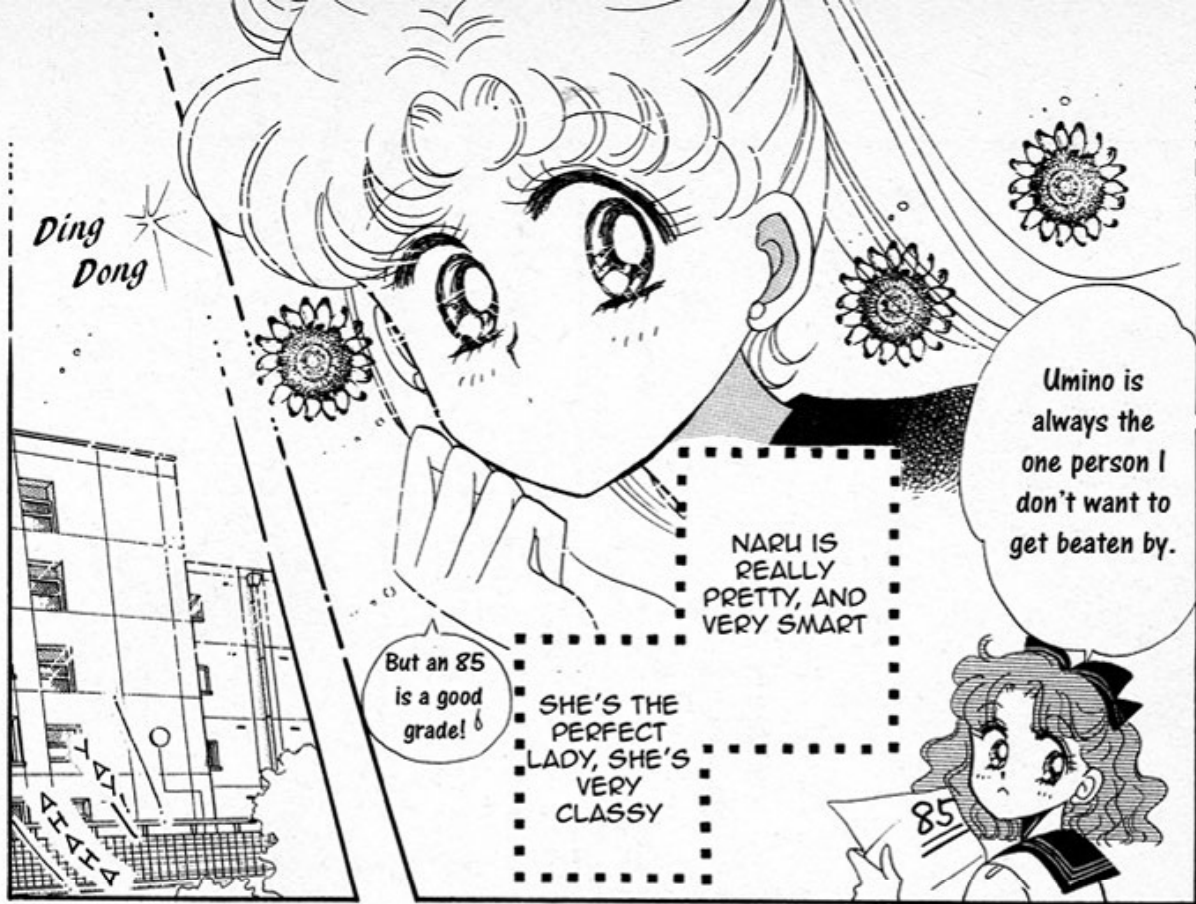

\*THIS NAME IS A PUN ON THE ENGLISH WORD "HARD" AND "HARU DA" (IT'S SPRING). BECAUSE MS. HARUNA IS STRICT, AND TEACHES ENGLISH, THE PUN OF CALLING HER "HARD" WORKS.

Ding Dong

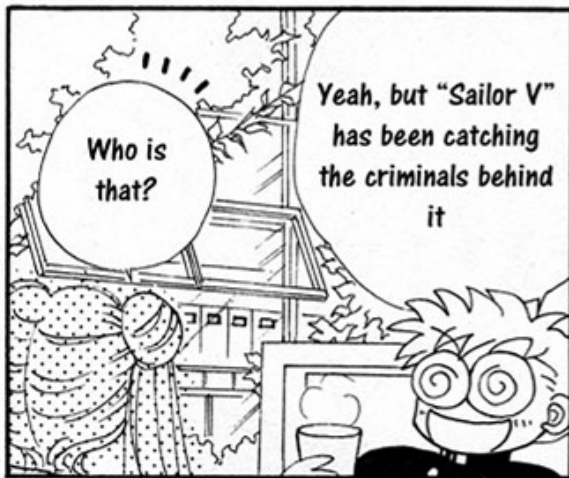

Umino is always the one person I don't want to get beaten by.

NARU IS REALLY PRETTY, AND VERY SMART

But an 85 is a good grade!

SHE'S THE PERFECT LADY, SHE'S VERY CLASSY

85

Who is that?

Yeah, but "Sailor V" has been catching the criminals behind it

scary

Anyway, I heard that another jewelry store was robbed right near here. There's been a lot of robberies lately.

TURN

If someone like that has really appeared, a savior...then maybe we really are at the end times.

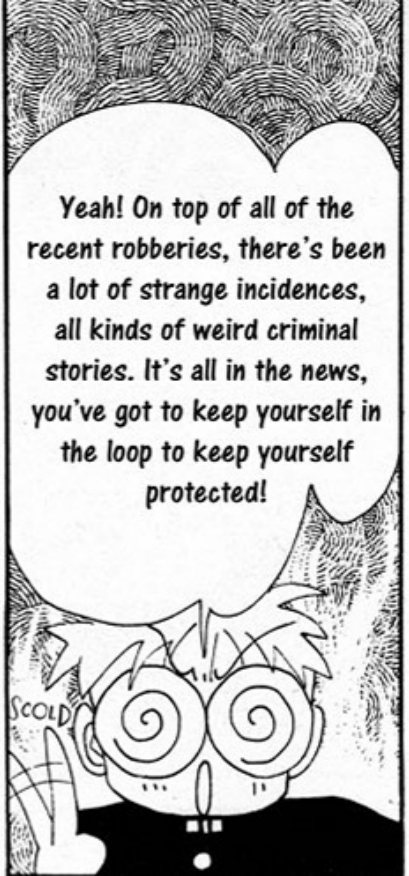

She's really famous! She's a pretty suited-soldier of love and justice! And on top of that, she's all over the news, she's really popular all over the city! Everyone knows about her! Rumor has it that she's actually a special agent within the police department.

I'd like a diamond ring

Being surrounded by all of the beautiful sparkling gems...

But you know, I can totally understand wanting to break into a jewelry store

Yeah! On top of all of the recent robberies, there's been a lot of strange incidences, all kinds of weird criminal stories. It's all in the news, you've got to keep yourself in the loop to keep yourself protected!

I like rubies best, but pearls are nice too

Naru, you live in a giant jewelry store, don't you?

Now there are even a few pieces for sale that we can afford

We actually began a huge sale yesterday

Haha, well

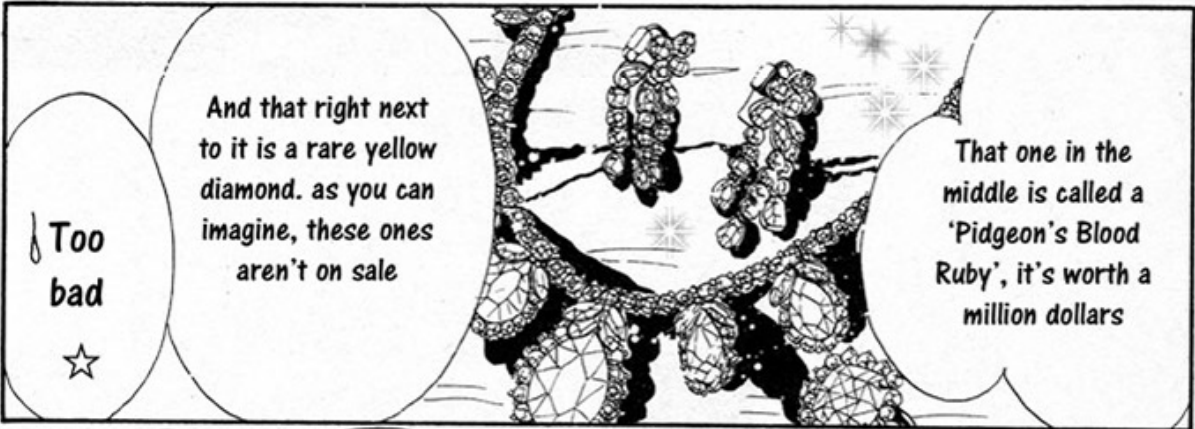

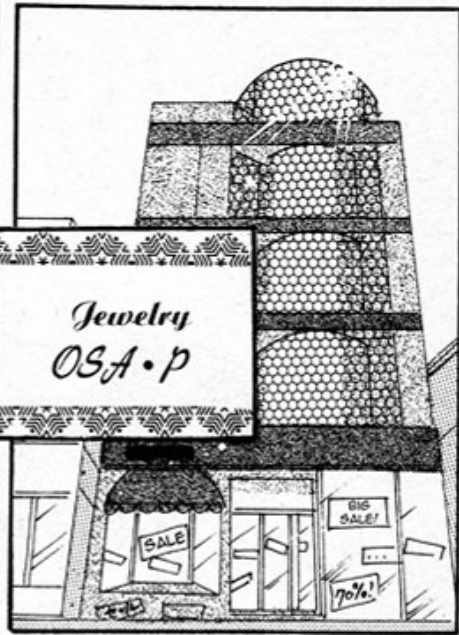

**KYAAAAAAA! ♡!**

Me too, me too!

No way! I've gotta go check it out!

# Peer

Too bad

And that right next to it is a rare yellow diamond. as you can imagine, these ones aren't on sale

That one in the middle is called a 'Pidgeon's Blood Ruby', it's worth a million dollars

Well, come on in everyone. It's crowded in here, but if you look around I'm sure you can find something you girls can afford! And since you're Naru's friends, I'll give you an extra discount!

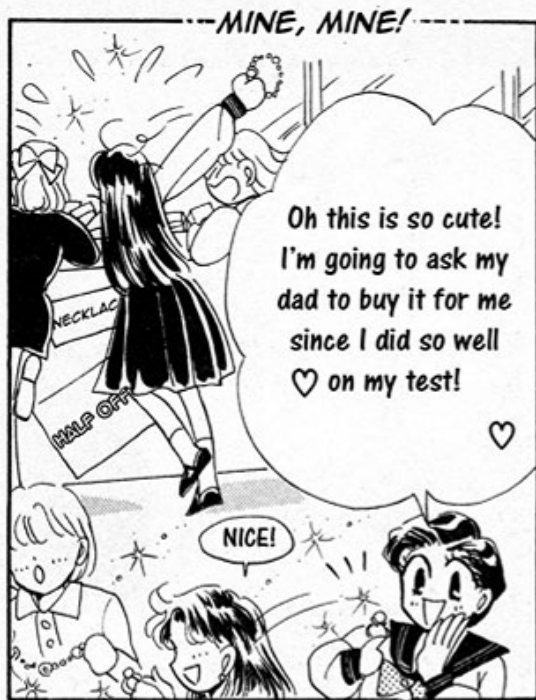

Mama

Ah Naru, you brought your friends home with you?

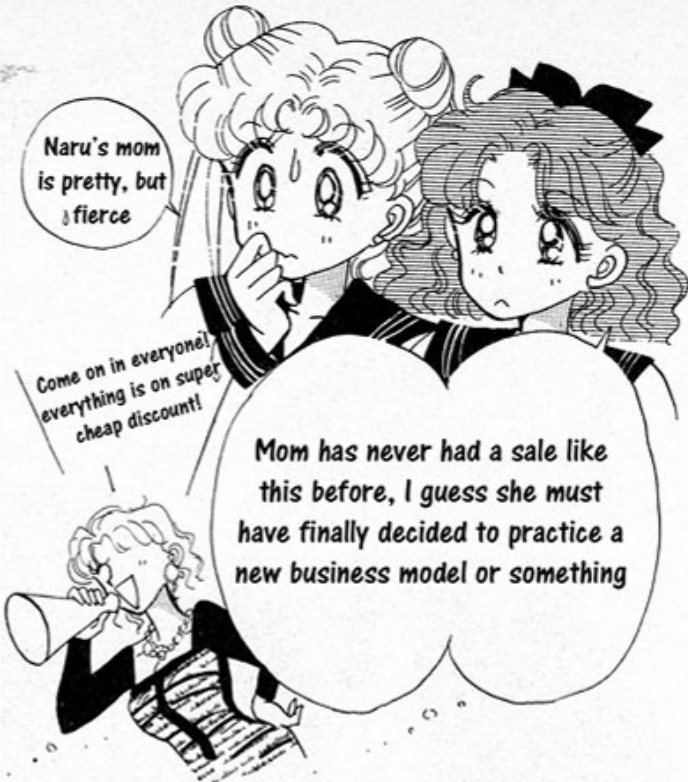

But still, They're all middle-aged women  
wow, look at the crowd!

MINE, MINE!

Oh this is so cute!  
I'm going to ask my  
dad to buy it for me  
since I did so well  
♥ on my test!

NICE!

Naru's mom  
is pretty, but  
fierce

Come on in everyone!  
everything is on super  
cheap discount!

Mom has never had a sale like  
this before, I guess she must  
have finally decided to practice a  
new business model or something

BWAHAHA

Man, I  
wish

YAY!

HOORAY!

I'm getting rid  
of this test!

And I already  
used up my  
allowance for  
the month

I hadn't gotten  
only a 30 on  
my test, now I  
can't get my  
parents to buy  
me anything

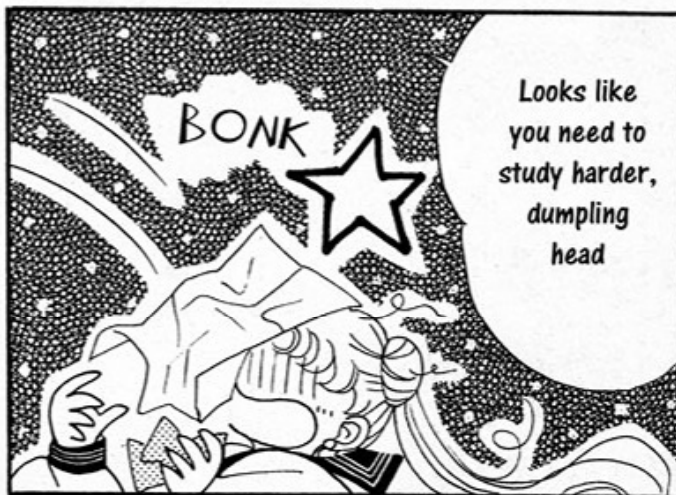

CRUMPLE

I  
MUST

I NEED  
MORE OF  
THAT  
YOUTHFUL  
ENERGY

GATHER  
EVEN  
MORE  
OF IT

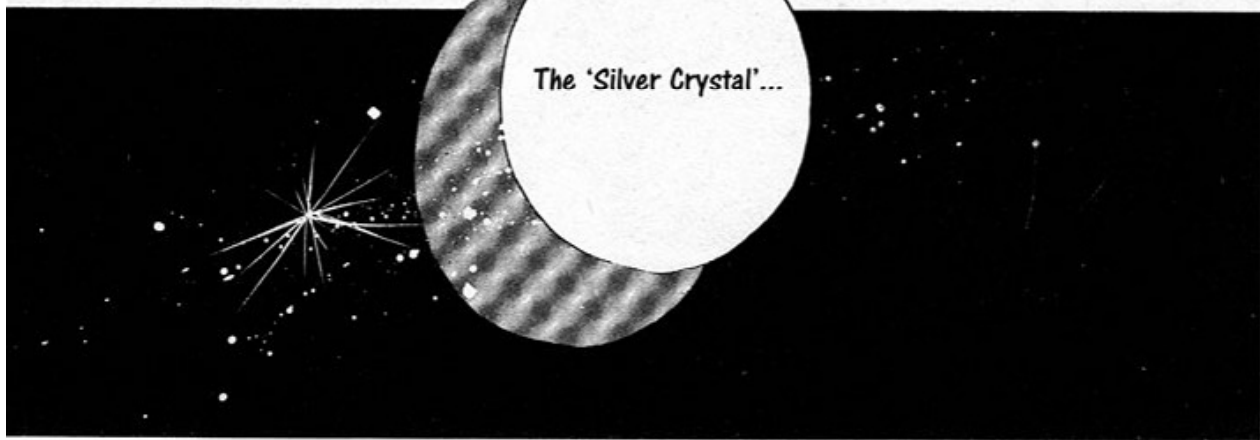

what is his deal,  
wearing a tuxedo in  
the middle of the  
day like that?

He's a  
snobby little  
jerk  
☆

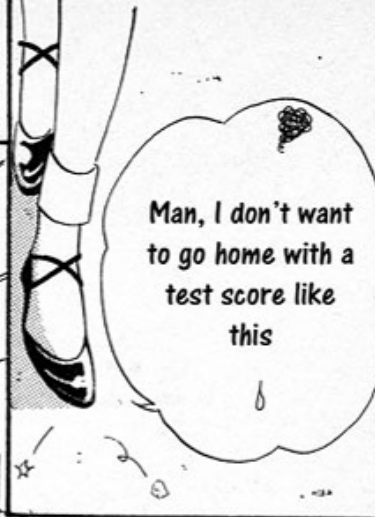

WOW,  
what a huge  
jewelry store

If any place has  
it, I bet it's  
there

The 'Silver Crystal'...

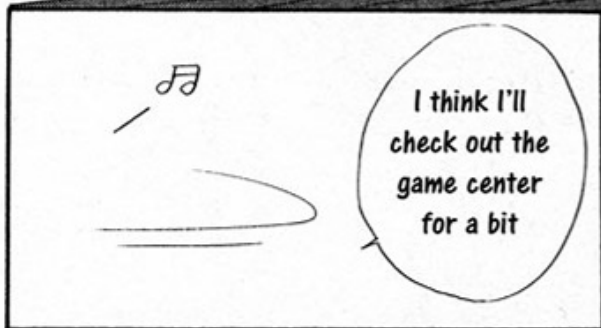

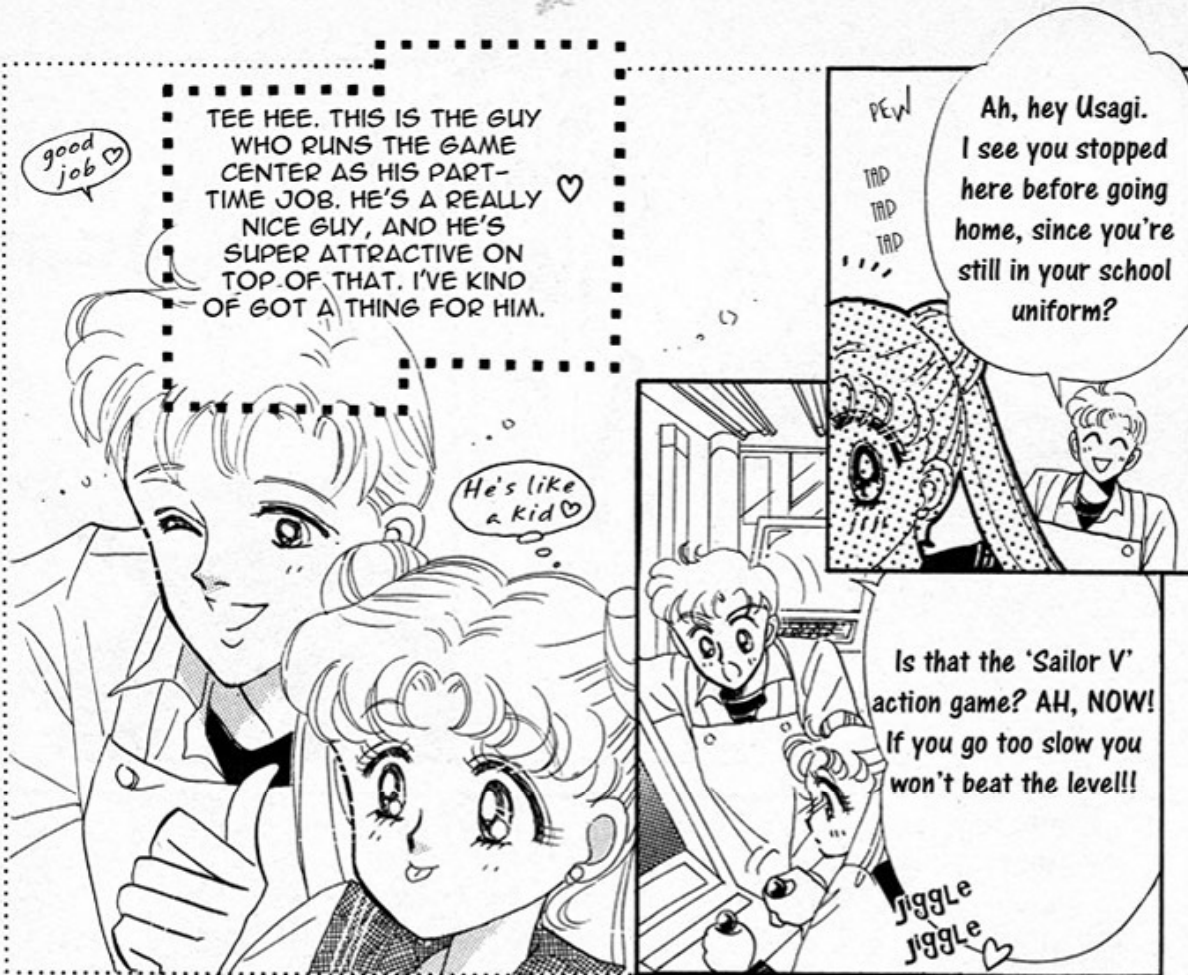

YOU DON'T HAVE TO STUDY, AND YOU GET TO KICK THE BUTTS OF ALL THE BAD GUYS AND GET A BUNCH OF RESPECT

awful band-aid, remember?  
While it was on, I was unable  
☆ to speak and wasn't able to  
use my locator abilities  
either.

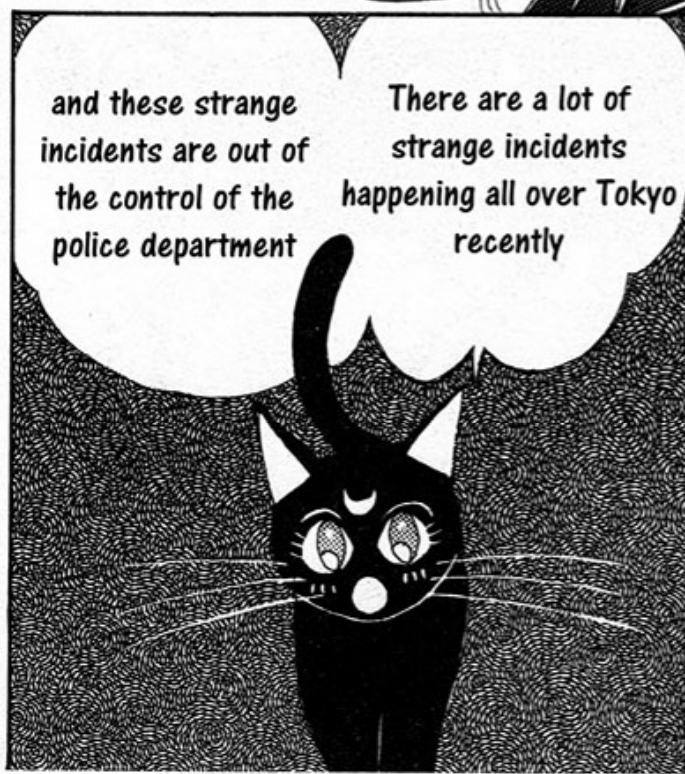

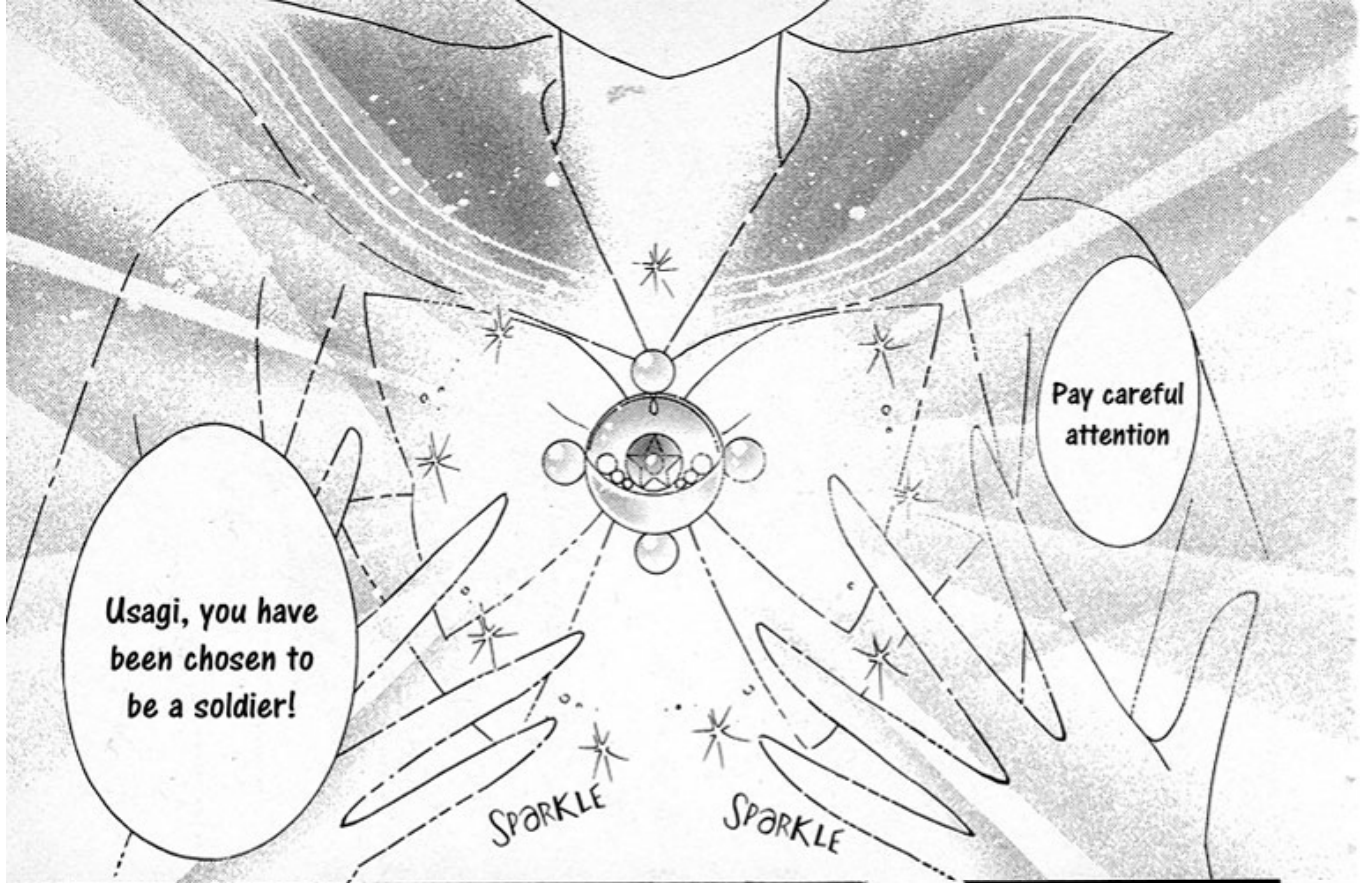

I was beginning to  
think I'd never be  
able to find you

Naru, are you sure you weren't just dreaming?

Man, if only I hadn't fainted right after the incident, then I could have at least seen her face...

So there I was, being attacked by this vicious thief, when suddenly this sailor suited soldier appeared to save me

Anyway
